Dear Members

Welcome to the final newsletter for 2010. It's a pretty packed edition!

The Society AGM, held over the weekend of 6-7 November, was held at The Swan Hotel, Bedford. We had two very interesting herd visits, firstly to the Pilkington Farm's Offley Hoo herd and on Sunday we went to Simon Bath's Roxton herd. Contrasting herds doing very different things with their Longhorns—just proving how versatile the breed can be.

The Society stand has been on the road during the Autumn and almost every week in November attending many of the Winter Fairs up and down the country. At the time of going to press we had 'ticked off' the South West Beef Event in Exeter (29 September), AgriExpo in Carlisle (29 October) and East of England Winter Fair at Peterborough (12 & 13 November), with the English Winter Fair at Stafford (20 & 21 November) and the Welsh Winter Fair at Builth Wells (29 & 30 November) to come.

We have been loaned some fabulous cattle for the stand and have also had some very creditable cattle competing which all helps promote the breed, especially into the commercial sector.

Whilst next summer may seem like a long way off please put the dates of 17-19 June in your diary. With seemingly no possibility of a 'new' Royal Show we have decided to instigate a new National Longhorn Show which in it's first year will take place at the East of England Show. See page 11 for more details.

May I remind you that subscriptions are due on 1st January so please send me your cheque if you do not pay by Standing Order or are a Life or Honorary Life Member.

Also please remember to complete and send back the census and data protection form that is enclosed with this newsletter. This helps me keep information about you and your herd up to date.

Finally may I take this opportunity, on behalf of myself and Council, to wish you all a Very Merry Christmas and a Happy 2011.

*Debbie*

## LONGHORN AGM

The Longhorn Cattle Society AGM was held over the weekend of 6-7 November and was based at the Swan Hotel, Bedford. A full report of the weekend will be in the 2011 Journal.

### Maydencroft Perpetual Trophy (right)

The winner of this year's Maydencroft Award for the bull gaining the most points on the show circuit in 2010 was Mr & Mrs JW Stanley's Senior Bull Blackbrook Sabre. Sabre was almost unbeaten this season, with Breed Championships at Newark, Rutland, Ashby and Southwell and Reserve Breed Championship at East of England, pipped only by stablemate Blackbrook Solitaire. Bob Williams, who stitched the tapestry, presented the award.

### Leebarn Perpetual Trophy

The winner of this year's Leebarn Trophy for the cow gaining the most points on the show circuit in 2010 was Miss RE Heard's Logan Dulcie.

Dulcie was Reserve Breed Champion at Moreton in Marsh, had class wins at Rutland and Burwarton and placings at Ashby and Derby.

### Paul Luckett Newcomers Award (left)

The winner of the 2010 award for members new to showing in their own right was presented to Jonathon Cuming and Fiona Bishop from the Feniton herd, Honiton, Devon. They had placings at Dunster and a class win at North Devon and also gained a second place in the Interbreed pairs at Dunster. No points for that but worth an honourable mention! In second place was Messrs Carden for placings at Ashby Show and in third place was Mr S Rigby for placings at Cheshire County Show.

The Summer season of shows has finished now, with Southwell Ploughing Match on 25 September being the last show with Longhorn classes. Don't forget to download and send in your Exhibitor Grant Support claim form from the website or ring me for a copy if you don't have internet access. For those of you also doing the Winter Fairs you can claim after the last Fair which is the Welsh Winter Fair 29 and 30 November, but in any case all claims MUST be received by 31 December 2010 in order to be paid.

### Council elections

There were four spaces available on Council and four nominations were received so no election was required. The Council members joining Council on 1 January 2010 are:

Charles Sutcliffe - Tetford Herd, Geoff Wild - Riffhams Herd

Council's thanks go to John Stanley and Frank Sutton who will come off Council at 31 December 2010.

**Ian Clark retires**

Ian Clark started his Holcombe herd in 1997 with cows from Richard Jones' Meon Valley herd and these gave him a very good start in the breed. He has used some very good bulls which have clicked with his females, one of the best being Leebarn Rembrandt who produced some show winning cattle. Ian has produced several bulls over the years which have gone on to do well in other herds. Ian is a true countryman with his own special type of wit - you never quite know what he will come out with! He supported a good number of shows between Tiverton and the New Forest. With the herd being dispersed to both private buyers and through the Sedgemoor Sale, Ian and Di are retiring to a bungalow in Broadmayne village as the farm was reasonably isolated. It is good to know that he will still be involved in the breed and we wish him well.

**Kinship reports**

If you are thinking of buying a new bull or using one of the bulls available via AI and want to know the inbreeding co-efficient of the mating of that bull to each of your females then I can produce a report for you. This will show how inbred - or not - the offspring of the mating will be. Give me a call or email me to find out more.

**Effectiveness of AI**

Over the next few weeks I'll be contacting all members who have ordered AI straws from the Society over the last couple of years to research the efficacy of AI within the breed. I would be very grateful if you could answer the survey as we would like to improve the AI service to members wherever possible.

**SOCIETY NEWS**

The Annual survey is now available to complete online. Please log on to 'manage your herd' section of the website to complete and return the survey. It only takes a few minutes!

If you have misplaced your log-on details then contact me.

Dear Members

Welcome to the final newsletter for 2010. It's a pretty packed edition!

The Society AGM, held over the weekend of 6-7 November, was held at The Swan Hotel, Bedford. We had two very interesting herd visits, firstly to the Pilkington Farm's Offley Hoo herd and on Sunday we went to Simon Bath's Roxton herd. Contrasting herds doing very different things with their Longhorns—just proving how versatile the breed can be.

The Society stand has been on the road during the Autumn and almost every week in November attending many of the Winter Fairs up and down the country. At the time of going to press we had 'ticked off' the South West Beef Event in Exeter (29 September), AgriExpo in Carlisle (29 October) and East of England Winter Fair at Peterborough (12 & 13 November), with the English Winter Fair at Stafford (20 & 21 November) and the Welsh Winter Fair at Builth Wells (29 & 30 November) to come.

We have been loaned some fabulous cattle for the stand and have also had some very creditable cattle competing which all helps promote the breed, especially into the commercial sector.

Whilst next summer may seem like a long way off please put the dates of 17-19 June in your diary. With seemingly no possibility of a 'new' Royal Show we have decided to instigate a new National Longhorn Show which in it's first year will take place at the East of England Show. See page 11 for more details.

May I remind you that subscriptions are due on 1st January so please send me your cheque if you do not pay by Standing Order or are a Life or Honorary Life Member.

Also please remember to complete and send back the census and data protection form that is enclosed with this newsletter. This helps me keep information about you and your herd up to date.

Finally may I take this opportunity, on behalf of myself and Council, to wish you all a Very Merry Christmas and a Happy 2011.

*Debbie*

## LONGHORN AGM

The Longhorn Cattle Society AGM was held over the weekend of 6-7 November and was based at the Swan Hotel, Bedford. A full report of the weekend will be in the 2011 Journal.

### Maydencroft Perpetual Trophy (right)

The winner of this year's Maydencroft Award for the bull gaining the most points on the show circuit in 2010 was Mr & Mrs JW Stanley's Senior Bull Blackbrook Sabre. Sabre was almost unbeaten this season, with Breed Championships at Newark, Rutland, Ashby and Southwell and Reserve Breed Championship at East of England, pipped only by stablemate Blackbrook Solitaire. Bob Williams, who stitched the tapestry, presented the award.

### Leebarn Perpetual Trophy

The winner of this year's Leebarn Trophy for the cow gaining the most points on the show circuit in 2010 was Miss RE Heard's Logan Dulcie.

Dulcie was Reserve Breed Champion at Moreton in Marsh, had class wins at Rutland and Burwarton and placings at Ashby and Derby.

### Paul Luckett Newcomers Award (left)

The winner of the 2010 award for members new to showing in their own right was presented to Jonathon Cuming and Fiona Bishop from the Feniton herd, Honiton, Devon. They had placings at Dunster and a class win at North Devon and also gained a second place in the Interbreed pairs at Dunster. No points for that but worth an honourable mention! In second place was Messrs Carden for placings at Ashby Show and in third place was Mr S Rigby for placings at Cheshire County Show.

**SOCIETY NEWS**

**Ian Clark retires**

Ian Clark started his Holcombe herd in 1997 with cows from Richard Jones' Meon Valley herd and these gave him a very good start in the breed. He has used some very good bulls which have clicked with his females, one of the best being Leebarn Rembrandt who produced some show winning cattle. Ian has produced several bulls over the years which have gone on to do well in other herds. Ian is a true countryman with his own special type of wit - you never quite know what he will come out with! He supported a good number of shows between Tiverton and the New Forest. With the herd being dispersed to both private buyers and through the Sedgemoor Sale, Ian and Di are retiring to a bungalow in Broadmayne village as the farm was reasonably isolated. It is good to know that he will still be involved in the breed and we wish him well.

**Kinship reports**

If you are thinking of buying a new bull or using one of the bulls available via AI and want to know the inbreeding co-efficient of the mating of that bull to each of your females then I can produce a report for you. This will show how inbred - or not - the offspring of the mating will be. Give me a call or email me to find out more.

**Effectiveness of AI**

Over the next few weeks I'll be contacting all members who have ordered AI straws from the Society over the last couple of years to research the efficacy of AI within the breed. I would be very grateful if you could answer the survey as we would like to improve the AI service to members wherever possible.

**SOCIETY NEWS**

The Annual survey is now available to complete online. Please log on to 'manage your herd' section of the website to complete and return the survey. It only takes a few minutes!

If you have misplaced your log-on details then contact me.
