A photograph showing several judges in white lab coats standing in a grassy field, examining a line of large, spotted cattle. The scene is set in front of a large, long building with a corrugated metal roof. The cattle are standing in a row, and the judges are positioned around them, some looking at the animals and others talking. The background shows a fence and some trees under a cloudy sky.

Dear Member

Welcome to the Autumn edition of the Longhorn newsletter.

A summer full of shows has just about finished and it has been a great season in the showing with more shows holding Longhorn classes than ever before and most shows getting reasonable numbers of entries. The weather meant the cancellation of a couple of shows and some very trying conditions at others so a huge thanks go to the resilient and luckily waterproof members that have shown their cattle this year.

The auction ring at the National Show & Sale at Stoneleigh witnessed the Show Champion Southfield Lyric sell for a record breaking price of 7600gns. A full report and prices are in the newsletter.

The AGM is just a few weeks away and therefore it's Council elections time. Enclosed with this newsletter is the ballot paper for the nominees, along with a short statement from each nominee and their proposer and seconder. Please vote for your chosen candidate or candidates and return the ballot paper to the office by the date stated on the form.

The Winter Fairs season will start soon and if you have primestock entered at an event please let me know and I'll do what I can to promote it. I'd also be grateful for the results of the classes you've entered.

The Society will have a stand at the Smithfield Show at the East of England Winter Fair again this year. The dates are 30 November and 1 December.

Debbie

LONGHORN SOCIETY'S NATIONAL SALE TO 7,600gns

The Longhorn Cattle Society's Annual National Show and sale at Stoneleigh proves an overwhelming success in terms of clearance and prices with a new record price for a female at 7,600gns.

Top call of the day went to the overall show Champion Southfield Lyric a junior heifer from David and Angela Blockley's Yorkshire based herd, by Blackbrook Philosopher a former Breed Champion of RASE 2009 and out of Southfield Fable, a daughter of Chianti that won Reserve Breed champion RASE 2003. She was hotly contested by several breeders and was eventually secured by John and Pat Stanley for their renowned Blackbrook herd in Leicestershire.

Full twin sister to the Champion Southfield Laya who stood second in the show line up was also closely followed and levelled at a very creditable 2250gns to Mark Wheeler, Stonehouse, Gloucester.

Senior heifers enjoyed a keen and sound following peaking at 2,750gns for Carreg KitKat from Bernard Llewellyn's Llandeilo based herd. She was 3 months in calf to Carreg King and was out of Carreg Ginkgo that had been a successful show cow taking first RASE. KitKat had won first in the split Senior heifer class and was taken by Bryan Banham, Norwich, Norfolk. Another Carreg heifer Ketchup also a first prize winner levelled at 2,100gns also to Mr B Banham.

Second highest priced senior heifer went to Natural England's Stoke Kirsch a second prize winner in the show by Dunstall Fearn out of a homebred cow, she went to local breeder Mr B Facon, Banbury, Oxon for 2,300gns.

Stock bulls were a selective trade and peaked at 2,700gns for the second prize Senior Bull Stoke Kojak from Natural England, the two year old had been Male Champion as a yearling at Moreton Show and taken Champion at New Forest the month before the sale. He was a Southfield Aristocrat son out of Stoke Enamel and went to David Hitchings, Church Farm Business Park, Bath.

First prize in the Junior bull section went to David Walker's Newton Viking by Newton Storm who had won numerous prizes including Male and Breed Champion, Great Yorkshire 2009. He was purchased for 2,550gns by D & JC Chambers, Newton Bromswold, Northants.

SOCIETY NEWS

The Office will be closed between Friday 16 November and Tuesday 27 November inclusive. No registrations or orders will be processed during this time so if you require merchandise, AI straws or other items from the Society please order them before I go away!

The Journal will not be produced in 2013. The Journal started with the Millennium edition in 2000 and has been produced annually since 2006. It was felt that a 'year off' would give the Society the opportunity to refresh the format and content.

The Show season has just about finished and you may not be aware that the Society offers a grant to members exhibiting cattle at 2, 3 and 4 day shows.

Go to the 'Forms and Rules' section of the website to download the form. One claim can be made each year so send in your form after the end of the show season, but before 31 December 2012.

If you are under 18 please check the schedules of your local shows for their Junior stock handling classes. The Society will be awarding points to any Junior members who take part in stock handling classes at shows, YFC competitions etc. Just send your results to the office to qualify. Attending the Junior stock handling competition at the National Show and Sale at Stoneleigh will mean double points. Prizes will be awarded at the AGM.

MERCHANDISE

Don't forget that the Society can provide a full range of merchandise. Clothing is available to order with your herd name embroidered on it and we also have ties, baseball caps and mugs. Last ordering for Christmas for clothing will be 10 November so you've got a while yet but don't forget to get your order in in plenty of time!!

SOCIETY NEWS

SUMMER VISIT SUNDAY 16 SEPTEMBER

The Society had a superb day at Newbottle Estates, Brackley, Northants, courtesy of John and Lady Juliet Townsend and their daughter Alice. During a very well organized tour of the enterprises we saw the Longhorn breeding herd, the store cattle at grass and the finished carcasses both in the cold store and in their final incarnation in the butcher's shop.

We were then treated to a delicious Longhorn beef stew for lunch which warmed us up on what was a dry but breezy day.

The Society's thanks go to the Townsend family for their hospitality and also to Nick the herd manager and Rob the butcher who answered any questions thrown at them with a deep understanding and passion for their subject.

NEW MEMBERS

- We should like to welcome the following new members to the Society:*
- Mr Brian Banham, Broad Farm, Boat Dyke Lane, Acle Norfolk
- Mr Len Homans, Harvest Cottage, Back Lane, Ilmington, Warks
- Miss M Bradford, Cottenham, Cambridgeshire (Junior)

MEMBERS' NEWS

My name is Stan Dixon, a Longhorn breeder from Swindon, Wiltshire. I have kept Longhorns for almost 20 years. Early in September both my wife Angie and I were injured; Angie had two broken ribs. I had entered The Royal Berkshire Show and thought we may have to withdraw. On the Wednesday before the Show I rang Sid and Anne Hollier to try and contact someone who could help us at the Show. An hour later Anne called back and said not to worry they would come down on the Friday, wash and prepare the cattle and show them for me on the Saturday. This they did and they would not take anything from me, despite them travelling from Dorchester and spending Friday and Saturday with the cattle. I am extremely grateful for their help and the fact they also won Reserve Breed Champion with my Fishwick heifer was an added bonus. I would like to add my gratitude to Thea Woollatt and Adrian Clark who helped me on Sunday.

To Sid and Anne once again many thanks to two generous and lovely people.

If you have any items of news you'd like me to include on the website and in the newsletter that relate to your Longhorn cattle please let me know!

I would be very grateful if you could spend a couple of minutes finding out the contact details of the news desk of your local paper, especially if they have a regular Agricultural section. Whilst I have contacts for the National farming papers and some regional publications I don't know many of the local ones. I can then send them press releases and news items for sales and other Society events. If you have something relating to your Longhorns that you'd like me to publicise then please let me know— I can't tell other people if you don't tell me!

ANNUAL GENERAL MEETING 2012

The Longhorn Cattle Society AGM will be held on Saturday 3 November 2012 at the Oake Golf Club, nr Taunton, Somerset.

The AGM weekend this year is based in Somerset. We will be staying at the Northfield Hotel, Minehead, a quiet Hotel in a residential area with views either over the Hotel's grounds or the sea.

Our herd visit on Saturday is to David & Louisa Sheppy's Three Bridges Cider Farm and Longhorn herd. The farm is a 350 acre family owned mixed farm. The main enterprises are arable (approx 200 acres on a wheat rotation with beans, barley and oats), 55 acres of cider apple orchards; fruit supplied to Sheppy's Cider and the Three Bridges Longhorn herd. The herd was started in 2002 and now comprises of approximately 30 cows. Since 2009 we have run half the herd on a Longhorn bull and half the herd on a Charolais bull. Generally Longhorn bull calves are castrated and de-horned, and fattened for our own shop and the Longhorn beef trade. Heifers are kept back as herd replacements or sold as breeding females. The Charolais x calves will either be finished and sold at the local fatstock market or sold as store cattle. A small flock (approx. 40 ewes) of Wiltshire Horns are also kept. Sheppy's Cider is a growing family cider business, established in 1816. Sheppy's Cider has adapted well with the growing demand for high quality, traditional bottled and draught ciders, and at the same time maintaining the popular cider attraction and visitor centre which includes a farm and cider shop, museum showing a film of the years cider process, tea rooms/restaurant, orchard and farm walks, and pre-booked guided tours.

Our herd visit on Sunday is to George, Jackie and Thea Woollatt's Gupworthy herd. Gupworthy Farm is a 450 acre farm situated on the Brendon Hills in the Exmoor National Park. 80 acres are arable plus 20 acres of contract swedes are grown and the rest is in grass for silage or grazing. We are a 'new' herd and started with one cow in 2004. We began to like them more and more and now have over 60 Longhorn cows. Steers are sold as stores and heifers are kept as replacement and to supply the family butchers shop in Hertfordshire. There is also a commercial mixed suckler herd running with a Charolais bull. We also run a flock of Cheviot and Texel cross ewes with a few Wiltshire's thrown in. We are very pleased to welcome the Longhorn Cattle Society to Gupworthy and hope that you enjoy your visit
