Dear Member

Welcome to the Summer newsletter. It has been a really show busy season so far which is reflected in the number of show results in the newsletter, including the results from the very successful first National Show at the East of England Show, Peterborough on 17-19 June. We had an excellent turnout of cattle and the Show Society looked after us very well. We are now looking forward to 2012 when the National Show takes place at the Three Counties Show.

The National Show & Sale took place at Stoneleigh on 12/13 August and this year we shared the venue with the Red Poll Cattle Society. We had a good entry of cattle and prices were buoyant. See inside the newsletter for results of the show classes and prices of the cattle sold.

The deadline for the Annual Journal is fast approaching and I would encourage all members to consider taking an advert. The Journal is much admired by other breeds and gets seen by a great number of potential members during the year. Advertising rates

are in the newsletter.

Also enclosed with this newsletter is the booking form for the AGM in North Yorkshire and the nomination form for Council. Please return these forms by the deadlines stated if you are interested in coming to the AGM or standing for Council.

The Winter Fairs season isn't far away now and the Society will have a stand at Agri-Expo Carlisle; the English Winter Fair Stafford and the East of England, incorporating the Smithfield classes at Peterborough. Dates for all these events are in the newsletter, along with the dates for the upcoming Autumn stock sales.

Behind the scenes the website is currently undergoing an upgrade and a gentle redesign. You'll still be able to find everything you want, and in some areas you'll be able to access information easier than at present and the site will have a more up to date feel about it. The current site has been with us since 2007 which is the dark ages as far as computer and web technology is concerned so its time it was refreshed. You should see the results of our work towards the end of the year.

*Debbie*

## MEMBER NEWS

Lesley Hutton has informed the Society that her husband Alec passed away on 30 June 2011. For the past two years Alec had suffered from a very rare degenerative neurological disease which was born with tremendous courage and patience. Alec often accompanied Lesley during her bull inspection visits but could always be lured away by the temptation of a vintage tractor.

Jon and Sarah Birchall are leaving Pilkington Farms, Offley Hoo, Herts in September to start a new role managing a farm in Kent. We wish them well in their new venture.

Many congratulations to Joe Henson who was awarded an MBE in the Queens Birthday Honours for services to conservation. A long time Longhorn Cattle Society member, Joe was the founder of Cotswold Farm Park and was also instrumental in the creation of the Rare Breeds Survival Trust.

Congratulations also go to John Brigg on being awarded the RBST Marsh Christian Lifetime Achievement Award for his part in 'bringing Longhorns back from the brink'. John and his long association with the Longhorn Cattle Society are profiled in an article in the most recent 'Ark' Magazine.

Many congratulations to Jim Sutcliffe and his partner Odile who were married in Scotland on 7th August.

### Follow us on Twitter and like us on Facebook!

The Society has recently set up a Twitter account: ([www.twitter.com/longhornoffice](http://www.twitter.com/longhornoffice)). A number of Longhorn members already use Twitter and Facebook to promote themselves and their products using social media, including Meridian Meats, Christmas Hill Farm Shop and Offley Hoo Farms. It is an increasingly popular and cost effective method of communication. If you are also on Twitter then please follow the Society for up to date information and day-to-day goings on, or if you are on Facebook then 'like us' at [www.facebook.com/longhorncattlesociety.com](http://www.facebook.com/longhorncattlesociety.com).

# PHOTOGRAPHIC COMPETITION 2011

**The Society will be holding a photographic competition, to be judged at the 2011 AGM. The entries in each class will be displayed at the AGM and the winners decided by the Members votes. The categories will be:**

1. Posed animal (cow & calf count as one unit) - haltered or free
2. Small herd (ten animals or under) in a landscape
3. Large herd (over ten animals) in a landscape
4. Longhorns at shows
5. Humorous: members and/or cattle
6. Longhorns in commercial setting e.g. pedigree bull with commercial cows, crossbred suckler cows, crossbred stores/prime stock

## ***Rules***

1. **Closing date for entries is Sunday 8 October 2011**
2. No entry fee
3. All photographs must be taken by members of the Longhorn Cattle Society.
4. No photographs from professional photographers allowed.
5. No photographs that have been entered into any previous competition allowed.
6. It will be a condition of entry that photographs entered may be used by the Society for any purpose without fee.
7. Entries must be sent to the Secretary by the closing date giving full details of which class/es are being entered.
8. Participants do not have to attend the AGM.

## ***How to Enter***

Entries can be sent to the Secretary by post, disc or email. In each case each photograph must be identified with the members' name and the class being entered. If you are sending photographs by email do check with me that I have received them if you don't get an acknowledgement as sometimes big files don't make it through the spam filter!

## CHECS ACCREDITED HEALTH SCHEMES

Have you ever considered registering your herd with a health scheme?

### WHY IMPROVE YOUR HERD HEALTH STATUS?

Many herds in the UK have a good standard of health, having worked with their vets over a number of years to control mastitis, lameness, fertility and production diseases. Further improvements are happening with the introduction of Herd Health Plans to meet the requirements of Farm Assurance Schemes. Beef and dairy herds have already achieved freedom from many of the diseases subject to state control, such as Brucellosis and EBL. Strict controls to keep out highly infectious diseases, like Foot & Mouth, are now widely understood and practiced; but many herds still do not know their own particular health status for BVD, IBR, Lepto and Johne's.

**Many European countries have either eradicated, or have embarked upon national control and eradication programmes for BVD, IBR, Lepto and Johne's disease.**

If we do not keep pace with these improvements we will find ourselves, as individual herd owners, unable to compete in the UK or with the rest of Europe. Herd health will increasingly become a consumer-led issue, which could prevent milk or beef being sold from non-compliant farms.

### WHAT ARE THE BENEFITS?

#### DISEASE CONTROL

A greater public awareness of farming methods has resulted in ever mounting pressure to reduce the use of antibiotics and other treatments in all herds, not just those which are organic. This means that greatly improved methods of disease control are now very much more necessary than in the past. Testing to the standards of CHeCS licensed Cattle Health Scheme is the first step forward to achieving this.

#### FINANCIAL GAIN

Controlling the considerable problems caused by disease will show a very noticeable reduction in annual losses. For example, it is known that in just 10 years, uncontrolled BVD in a 100 cow herd can cost at least £45,000, and for Johne's Disease more than £20,000

#### HERD HEALTH PROTECTION

**CHeCS** licensed **Cattle Health Schemes** advise straight forward health measures, specifically designed to protect the herd from re-infection. These are equally effective in keeping out other infectious diseases such as Bovine TB, Digital dermatitis, and Strep. agalactiae mastitis. **CHeCS** herd health planning is especially effective in protecting the overall health, welfare and profitability of the herd.

#### RECOGNISED CERTIFICATION OF HERD HEALTH

Buying cattle only from herds that are known to be healthy is becoming ever more important. In this respect, herds in **CHeCS** licensed **Cattle Health Schemes** are able to provide an owner's declaration of health status. This gives buyers the confidence that they are not buying in disease.

Testing cattle to the **CHeCS** recognised standard, results in a health certificate, which is a trade-able asset of added value

# NEW MEMBERS

- We should like to welcome the following new members to the Society:*
- MR & RM Batchelor & Sons, Higher Willand Farm, Taunton, Somerset
  - Bertrand Facon, Lessor Farm, Milcombe, Banbury, Oxon
  - Luke Savage, Gyre Cottage, Orphir, Orkney
  - Martin Lomas, The Chestnuts, Eye Kettleby, Melton Mowbray
  - Hatfield Park Farm, Estate Office, Hatfield, Herts
  - Will Pearson, Dunwood Farm, Longsdon, Stoke on Trent, Staffs
  - MS & MA Adams, Charity Farm, Halghton Lane, Bangor on Dee, Wrexham
  - Mr I Edge, Birchtree Farm, Foxholes, Nr Wem, Shropshire
  - W Mitchell & Sons, Mid Craigton Farm, Newton Mearns, Glasgow

# CHANGE OF DETAILS

Madders & Johnson (495) have moved to Deerpark Farm, Hopton, Staffordshire, ST18 0BB. Telephone numbers and email stay the same.

# EXHIBITOR SUPPORT GRANT

The Show season is still in full swing and you may not be aware that the Society offers a grant to members exhibiting cattle at 2, 3 and 4 day shows. Go to the 'Forms and Rules' section of the website to download the form. One claim can be made each year so send in your form after the end of the show season, but before 31 December 2011.

# LONGHORN JOURNAL 2012

The Annual Journal is the Society's best print marketing tool and is circulated to over 1500 people during the year. An advert represents excellent value for money so please consider taking an advert in the 2012 edition. Rates and deadlines are on the next page. If you know of any company or supplier who would benefit from advertising please put them in touch with me.

## LONGHORN JOURNAL 2012
