Dear Members

Welcome to the last newsletter of 2011. Another busy year has flown by!

One of the highlights of the year for me was the Society's first National Show, held at the East of England Show at Peterborough in June. We had a fantastic turnout of cattle that did the breed proud and that quality shone through in both the breed classes and then in the Interbreed and Native Interbreed classes where we had significant success. The National Show is at the Three Counties Show next year.

The exciting news for 2012 is that we will be holding our first official Sale for members in Scotland. This will be held in May at the Stirling Agricultural Centre. The Longhorn breed has been gaining momentum in Scotland over recent years and at the request of Scottish members we are working with David Leggatt and the team at United Auctions to stage a sale that is a little bit more accessible for them and of course for buyers.

The annual survey is taking place as usual. You can complete it

online which is quick and easy. If you have not already done so then a paper survey is enclosed. I know it's tedious for you to complete (sorry!) but it enables me to keep an accurate registry of Longhorn Cattle which of course is the primary purpose of the Breed Society. The information in the Herdbook is used by a number of organisations and it's always good to tell people how much of a success story the Longhorn breed is by being able to quote accurate figures.

Subscriptions are due on 1st January - if you don't pay by standing order then please send a cheque or BACS payment before the end of the year.

May I take this opportunity to thank all Society members for the help and support they have given me this year. The breed continues to grow both in terms of numbers of cattle being bred and in the recognition of the name 'Longhorn' amongst consumers. Long may this continue!

Merry Christmas!

Debbie

LONGHORN AGM 2011

Maydencroft Perpetual Trophy

The winner of this year's Maydencroft Award for the bull gaining the most points on the show circuit in 2011 was Mr & Mrs JW Stanley's Junior bull Blackbrook Uruk Hai. Uruk Hai competed at five shows and was Breed Champion at Ashby and Southwell Shows and Reserve Breed Champion at Rutland. He beat 17 other bulls during the year.

In second place was Park Grace Dieu Tinhorn, a senior bull from Mr F Sutton. He was Breed Champion at the Three Counties Rare Breeds Day, the Royal Welsh, Monmouthshire Show and Burwarton Show and was Reserve Breed Champion at the Three Counties Show.

In third place was Riverlands Kraken who was Breed Champion at Staffordshire County Show.

The Maydencroft Award was presented to Pat Stanley by Society Chairman Geoff Wild

Leebarn Perpetual Trophy

The winner of this year's Leebarn Trophy for the cow gaining the most points on the show circuit in 2011 was Eileen Hallifield's Dunstall Harriet. This 2007 born second calver competed at six shows during the year and was Breed Champion at Hope Show and Reserve Breed Champion at Southwell Show.

Coming hot on Dunstall Harriet's heels in second place was Carreg Harmony from Mr & Mrs B&M Llewellyn. She was Reserve Breed Champion at the Royal Welsh, Pembrokeshire and Monmouth shows

In third place was Welborne Lolita from Messrs G Wild and S Wright. She was Breed Champion at Suffolk Show.

The Leebarn Trophy was presented to Eileen Hallifield by Chairman Geoff Wild

President's Award

At the end of each President's term of office the President presents an award to the member he feels has made a significant contribution to the Longhorn breed either in recent or past years. John Backhouse, as the retiring President, gave the award to Peter Boylett. For many years Peter was the Manager for Lord Barnard at Raby Estates and did much to improve the breed.

SOCIETY NEWS

EXHIBITOR SUPPORT GRANT

The summer show season is now over and the Winter Fairs are coming to a close so you only have a few weeks to claim your Exhibitor Support Grant.

Go to the 'Forms and Rules' section of the website to download the form. One claim can be made each year so send in your form after the end of the show season, but in any case before 31 December 2011.

BULL DNA TESTING

From the beginning of the year we will be taking advantage of the bull registration procedure to collect DNA samples from all bulls being registered. A hair sampling kit will be sent to you (with instructions!) for you to return with the registration form and photographs. The DNA samples will help the Society build up a database of DNA profiles and also for gene profiling in the future when the database is sufficiently large.

KINSHIP REPORT

If you are thinking of buying a new bull or using one of the bulls available via AI and want to know the inbreeding co-efficient of the mating of that bull to each of your females then I can produce a report for you. This will show how inbred - or not - the offspring of the mating will be. Give me a call or email me to find out more.

BREEDS AT RISK REGISTER

The Farm Animal Genetic Resources Committee has informed the Society that the Longhorn breed has reached the numerical threshold for special measures in the event of an outbreak of exotic disease and has therefore been removed from the Breeds at Risk Register.
