## Longhorn News September 2018

Dear Members

Welcome to the Autumn newsletter.

The summer has been busy with shows and herd visits, and whilst there are a few shows left before the end of the season we now have our sights set on the AGM in October in Co Durham.

There is an election for places on the Society Council this year and all members would have received both postal voting forms and a link to vote online. Please make sure you use your vote. The deadline is Saturday 6 October and the three successful candidates will be announced at the AGM on Saturday 13 October..

The photo competition will be judged by members at this year's AGM and the deadline for entries to have been received by the Society office is Friday 28 September so there isn't very long to sort through your best pictures of the year and send them in!

*Debbie*

## CHAIRMAN'S CORNER

After an excellent virtual dispersal of the Gorse herd, on 18th August at Worcester I can say it was a pleasure to be there. 50 head of well presented, well prepared & well fed cattle were forward, compared to some cattle at the previous sale. A real credit to John & Joshua who were ably assisted by Steve & Matthew Gray, Mary & Esme Cormack (photographer). This helped to achieve a breed record of 12,000gns for any sex Longhorn sold at public auction, which will probably stand for quite some time. Credit goes to all behind the scenes at McCartneys for putting on such great sale conditions and to our official auctioneer Clive Roads whose job was made easier by the good cattle forward. Thanks also to Debbie who helped to put the catalogue together. All senior cattle had been penned individually with good clean straw, looking as if they had just arrived, when they actually came the day before. This gave you a feel good factor as soon as you arrived. This is exactly the way a pedigree sale should be conducted.

The sale ring was packed with members, Council members & new breeders. I feel sure everybody must agree it felt good to be there and to be part of it. There is something to learn from this experience, if proper planning and preparation is put in place, individual herds and Longhorns in general will benefit. If you don't put anything in you will not get anything out.

This is the standard we are trying to achieve for a top end/premier sale. Also two store cattle sales a year have now been set up by McCartneys at Worcester. This is for commercial type cattle, where hopefully they will sell better.

I ask you all once again to please send in any ideas how our sales could be improved or on any other aspect of the Society.

Best wishes to John & Joshua with any future venture.

Dave Blockley.

## SOCIETY AGM, 12-14 OCTOBER 2018

This year the Society AGM heads north to Co Durham. On Saturday 13 October we will be visiting the Hodgson family's Harold herd, and many other enterprises, at Piercebridge near Darlington and our overnight stay will be at the George Hotel in Piercebridge.

On Sunday we will have a visit to the Raby Herd at Raby Castle near Staindrop.

Further details and the booking form are on the website or in this newsletter if you don't have an email address registered with the Society. At the time of going to print only a couple of rooms were still available so don't delay if you haven't already booked!

For more information about the Hodgson family see their website <http://piercebridgeorganics.co.uk>

For more information about the Raby estate <http://www.rabycastle.com/>

## SOCIETY NEWS

### AGM NOTICE

Notice is hereby given that the Longhorn Cattle Society CIO  
AGM will be held at  
The George Hotel, Piercebridge, Co Durham, DL2 3SW  
at 2.00pm on Saturday 13 October 2018

#### AGENDA

1. Apologies for Absence
2. Approval of Minutes of 2017 AGM
- 3 Chairman's Report
4. Treasurer's report and approval of accounts
5. Election of Trustees
6. Any Other Business

### COUNCIL ELECTIONS

Four nominations were received for the three places on the Longhorn Council, necessitating an election. Information about all the candidates plus a voting form has been posted to all members, along with postal voting papers. Members also have the opportunity to vote on line using 'Simply Voting'; a separate email was sent to all members with email addresses registered with the Society along with details of how to vote. Online votes will count in the same way as a postal vote, however if any member uses both methods of voting the online vote will be discarded. Voting closes on Saturday 6 October and the results will be announced at the AGM.

### PROXY VOTING FORMS

If you are unable to attend the AGM and wish to appoint a proxy or the Chairman to vote on your behalf a proxy form is available on the website or from the office on request.

## PHOTO COMPETITION

The Society will be holding a photo competition to be judged at the 2018 AGM. The entries in each class will be displayed at the AGM and the winners decided by the members' votes at the AGM. The categories will be:

1. Posed animal (cow & calf count as one unit) - haltered or free
2. Small herd (ten animals or under) in a landscape
3. Large herd (over ten animals) in a landscape
4. Longhorns at shows
5. Humorous: members and/or cattle
6. Longhorns in commercial setting e.g. pedigree bull with commercial cows, suckler cows, stores/prime stock

#### Rules

1. Closing date for entries is Friday 28 September 2018

2. No entry fee
3. All photographs must be taken by members of the Longhorn Cattle Society.
4. No photographs from professional photographers allowed.
5. No photographs that have been entered into any previous competition allowed.
6. It will be a condition of entry that photographs entered may be used by the Society for any purpose without fee.
7. Entries must be sent to the Secretary by the closing date giving full details of which class/es are being entered.
8. Participants do not have to attend the AGM.

#### How to Enter

Entries can be sent to the Secretary by post, disc, memory stick, email or FTP such as Dropbox. In each case each photograph must be identified with the members' name and the class being entered. If you are sending photographs by email do check with me that I have received them if you don't get an acknowledgement as sometimes big files don't make it through the spam filter!

## SOCIETY SUMMER VISIT, 8 JULY 2018

The Society's Summer visit was to the Woollatt family's Gaer Hill Farm, Chepstow, Gwent on 8 July. The continuing prolonged dry spell meant a number of members had already started combining so numbers were a little depleted, but those that could make it were treated to first class transport courtesy of Frank Sutton. George, Jackie and Thea Woollatt moved from Gupworthy Farm, Somerset in September 2017 and had settled in to their new farm over the winter.

Firstly we saw the youngstock Longhorn herd replacements, before moving on to see the sheep and then the breeding portion of the Longhorn herd, all running with Newton Yahoo.

After seeing the commercial cattle and the Shorthorns we saw the enormous shed that housed the cattle and all the fodder and straw over the winter - we all had 'shed envy'!

After the tour we returned to the house for afternoon tea before departing to do battle with the motorway to get home.

It was a lovely afternoon seeing a fabulous, well established herd of Longhorns. A huge thank you to the Woollatt family for their generous hospitality on one of the hottest days of the year.

## MIDLAND REGIONAL GROUP VISIT, 3 June 2018

The Midland Group & friends were welcomed to the Litton Herd by Claire & David Saxby & family on a glorious summer's day and before we looked at the cattle treated to a fly past of a Lancaster bomber!

It was a pleasure to view this new herd which has come a long way in a short time and shows much promise for the future with some quality youngstock coming through. The cattle all looked well in the dry conditions of the wonderful Derbyshire countryside. A huge thank you to the Saxby family for sharing their enthusiasm for the breed and the generous hospitality enjoyed by everyone.

## MID WEST REGIONAL GROUP VISIT, 14 July 2018

Some 40 members, friends and three previous Herd Competition judges met at Walsgrove Farm, Great Witley, Worcestershire, by kind invitation, to see the Witley herd owned by Messrs Goodman. We met in the appreciated coolness of the packhouse which is the hub of one of the main enterprises of the business – some 4500 geese and 5500 turkeys.

Andrew Goodman gave us a rundown of the business with some 450 acres of arable and 200 acres of grassland, chiefly permanent pasture. The herd consists of 55 cows with followers, all the stock is taken through to be sold as prime beef with the exception of any heifers who are retained as herd replacements. Only eight cows in the herd are not homebred.

We first went to see a batch of turkeys which were some five weeks old and housed in part of a very large shed which had been purchased from the Ministry of Defence and has stored explosives in a previous life. Two other buildings had been used to house tanks.

We moved onto the farmyard and got onto two tractors and trailers to see the first group of cows which were running with Aberdeen Oswin who had been

purchased at the Worcester Sale in 2016. Despite the influx of people the cattle were totally un-phased by such a large group.

We then went to the other end of the farm to see the second group of cows running with Blackbook Ulric, after going through several large groups of geese. The two enterprises work well

together as the cattle utilise the turkey sheds, moving in just after Christmas.

A sumptuous tea was provided by Mrs Goodman and Duncan Handley gave a vote of thanks on behalf of the group. Both Mrs Goodmans were given a bouquet of flowers as a gesture of thanks from the group, who also gave donations to the RABI.

## GORSE HERD SALE, 18 August 2018

The virtual dispersal sale of John & Joshua Brigg's Gorse herd of Longhorn cattle – the oldest privately owned herd in the breed - set new heights at Worcester when their eight year old cow Gorse Rosa by Underknoll Quest and out of Gorse Iberis sold with her heifer calf at foot by Locking Kit at a new breed record of 12,000gns to 11<sup>th</sup> Earl de la Warr, Withyham, Sussex.

Fierce competition throughout followed the cow who had previously bred Gorse Valentine Rose that won the breed's Cow of the Year Award in 2017. That set the trend for the sale with no fewer than 14 cattle over 2,000gns.

The prices of all the lots plus photos courtesy of Esme Cormack are on the website.

## SOCIETY NEWS

### SLAUGHTER WEIGHTS NEEDED

As always the Society is real need of information to provide to potential members, butchers, finishers and consumers. If you take animals through to finishing can you think about the Society and drop the office an email with the eartag number of the animal, it's date of birth and it's slaughter weight. Even better still, notify the death using the online Herdbook and put the slaughter weight in the 'details' field. If you have a EUROP grid grade that would also be really helpful. Thank you!

### SOCIETY SALES

The Society's sales calendar is being reviewed by Council and further details will be available in plenty of time for 2019.

In the meantime two confirmed dates for your diary are for dedicated store sales which have been arranged in conjunction with McCartneys at Worcester Market. Worcester has an excellent reputation as a venue for selling Longhorn cattle and store cattle always have a very strong following there. By arranging two specific Longhorn store sales the Society hopes that members will target the preparation of their store cattle with these sales in mind and have a strong entry to attract more buyers.

The first of these sales will take place on Saturday 3 November 2018 and the Spring store sale will be on Saturday 6 April. These are store sale days at Worcester Market in any case.

Well done to Kenny Trembath from Land's End who sold a bunch of 20 month steers at Hallworthy Market in July for £890 per head.

### OFFICE CLOSURE

The office will be closed from Tuesday 30 Oct to Tuesday 6 Nov inclusive and then from Tuesday 20 Nov to Tuesday 27 Nov inclusive

Transfer fees	£15.00 + VAT	<b>£18.00</b>
---------------	--------------	---------------

Transfer fees are payable on breeding females and registered bulls by both buyer and seller unless an alternative arrangement is made between both parties

### BULL REGISTRATIONS

Those members wishing to register bulls can download a registration form from the website or ring the office for one - in any case please get in touch as you will need a hair sample bag for each bull being registered. The registration form, photographs and sample bag must be signed by a vet and these, along with the payment for registration must be received before the registration will be processed. Allow yourself plenty of time, especially if you are thinking of entering your bull for a show or sale and never assume the office has received the documentation!

Emailed registration forms or photos can be accepted as long as you contact the office first - the Society has pretty strong spam filters on the computer which sometimes does not allow big photo files through. We have had an incident where a member thought an email had been sent but the office had never received it so please let the office know in advance that you are emailing pictures. Hair samples must be posted.

**PLEASE NOTE THAT FROM 1 JANUARY 2016 BULL REGISTRATION FORMS MUST BE RECEIVED BY THE OFFICE NO LATER THAN ONE MONTH FROM THE TIME THE ANIMAL WAS WEIGHED, OR RE-WEIGHING WILL BE REQUIRED.**

## SOCIETY NEWS

### SOCIAL MEDIA

If you think you may have a contribution to make about your Longhorns and what you are doing with them please email the office. If you don't tell the Society what you are doing with your Longhorns we can't help promote you!

If you retail your beef in any way - beef boxes, farmers' markets, to a local butcher or restaurant - please let the office know and we'll add you to the 'buy Longhorn beef' page on the website.

The Society's Facebook page is  
<https://www.facebook.com/longhorncattlesociety>

on Twitter we are: LonghornOffice

On Instagram we are: longhorncattlesociety

Content is added to these on a regular basis so if you don't already follow the Society please do so.

### BEEF CERTIFICATES

Beef certificates are £6. They are proof that your finishing animal is a pure-bred Longhorn should you need to offer such proof to a butcher, finisher, meat marketing scheme or restaurant. You can buy them when you notify your male calves by clicking on the 'with beef cert' option or if you decide you need one when your animal is finished then just contact the office.

### ON-FARM SOFTWARE

#### Registrations via on-farm software.

If you use an on farm cattle management software programme that can produce spreadsheet reports the office can now accept these and embed them into the Society registration software to produce your birth records and registrations. This will mean you don't have to log onto the website to do your Society registrations. Just email the Excel file to [secretary@longhorncattlesociety.com](mailto:secretary@longhorncattlesociety.com)

## SHOWS NEWS

### YOUNG HANDLERS AWARD

All Junior members are eligible for the Frank Sutton Young Handlers Award. If you take part in any Junior stockhandling competition at any show please send the results to the office. The Young Handler with the most points over the season will win. The shows do not have to have Longhorn classes and whilst it would be great if you were to show a Longhorn, it isn't compulsory!

## SALES NEWS

### SOCIETY SALES

All dates subject to confirmation and DEFRA movement and gathering regulations

**Saturday 22 September 2018**

Show and Sale of Rare, Traditional and Minority Cattle

Borderway Mart, Carlisle, CA1 2RS

Auctioneers: Harrison & Hetherington

**This event is now an official Society sale.**

### MEMBERS' SALES

Due to retirement the Acle herd belonging to Brian Banham is being dispersed at Norwich Market on 22 September. A list of cattle and further details are on the website.

A reduction sale of the Yaverland herd, removed from the Isle of Wight to Worcester Market, on instruction of Dr D Buckeridge, on Saturday 20 October. Details of cattle for sale will be on the website when available.

## TYPE CLASSIFICATION

Following in the footsteps of breeds such as the Dexters, Beef Shorthorns and now the Simmentals the Society has been running it's type classification scheme for just over a year now.

Longhorn breeders have made huge strides in the last 20 or so years to improve their cattle through careful and selective breeding. Type classification provides an independent assessment of members' cattle in order to identify strengths and weaknesses within the herd and speed up breed improvement.

Type classification is also an excellent independent guide for new members who will be able to select cattle that have been assessed when establishing a herd if they wish.

Cattle are assessed by classifiers from Holstein UK who have been specially trained to classify beef cattle. Assessed on 14 different linear traits that make up four composite traits, a final score results in a grade from 'poor' to 'excellent'.

This grade is then appended to the animal's pedigree so anyone can see how an animal has been independently assessed. As the scheme develops multiple generations of cattle will be inspected and the results will inform members which cattle they should retain in their herd to improve the quality of both their herd and the national population.

The breeders that have had their animals classified so far have all reported that the process has been straightforward and very positive. These members, and a list of the cattle that have graded VG (Very Good) and EX (Excellent) are in the Knowledgebase on the website. See the link below.

If you think this is something you would like to participate in please contact the office for more information or go to the link below. If you'd like to talk to a member who has had their cattle classified please contact any of the members listed in the link.

Bulls are now able to be classified, full details are in the booklet.

## TB COMPENSATION

Whilst the eradication of Bovine TB should be at the forefront of DEFRA's minds, it's inexorable creep across the country means more and more members are being affected. A quick look at the difference between the compensation you will receive for a registered pedigree animal and a non pedigree animal might make registration of all your calves a consideration. Retrospective pedigree registration of TB reactors is not permitted.

The table shows compensation for September. It is updated each month.

The table is applicable to England only - Wales and Northern Ireland are on individual valuation and Scotland is TB free.

Further explanation and the most recent compensation table is available on the DEFRA website, and the website [www.tbhub.co.uk](http://www.tbhub.co.uk) also has current information.

Age	Non pedigree male	Pedigree registered male
Up to 6 months	£213-£338	Individual valuation
6-12 months	£555-£733	Individual valuation
12 to 20/24months	£915-£1016	£3893
20/24+ months	£1198	£2486

Age	Non ped female	Pedigree registered female
Up to 6 months	£161-£290	Individual valuation
6-12 months	£433-£618	Previously ascertained market price
12 to 16 months	£801	12-24m £1575
16-20 months	£917	24+ m not calved £1473
20+ months not calved	£963	24-36m calved £975
20+ months calved	£669	36m+ calved £1202
