This newsletter is being 'put to bed' during a few days of fantastic weather in Warwickshire so I hope this was reflected across the country.

My thoughts are now turning to the AGM in October - if you are coming and haven't booked with one of the hotels listed yet please do so and then let me know you are coming so we know how many to cater for. It'll be an interesting two days of visits and socialising!

The newsletter goes to print before nominations for Council close. Should an election be necessary then a voting form will be enclosed with this newsletter, please take the time to vote and support the running of your Breed Society.

The show season has, as always, been in full swing recently and many results are included in the newsletter. Thank you to all members who have shown this year, the standard has been exceptional.

The newsletter also contains brief information about the new type classification scheme that will be launched shortly. This has already proved very successful in the Beef Shorthorn breed and will help members improve both their herds and more importantly the breed as a whole. Exciting stuff!

## SOCIETY SALES

The Longhorn breed is known for its resilience and hardiness but the Society sales are the breed's shop window and potential new members may be put off by seeing cattle in poorer condition. Council want you to get the best price for your cattle at Society sales and be happy with what you have put forward to represent your herd and the breed.

When assessing your cattle for potential entry to Society sales please consider if they will be in a condition that will reflect well on you as a vendor as well as the breed in general. If in doubt please ask Debbie to arrange for a Council member to visit who will be able to advise you.

Council reserves the right to inspect any cattle entered for Society sales to assess their suitability.

From 2017 the fine for not bringing cattle to sales without providing a veterinary certificate will rise to £50 plus VAT when subsequent sales are entered. Potential purchasers have expressed disappointment that cattle catalogued have not been put forward for sale.

**TB testing is compulsory for all cattle entered in Society sales**

## SHOWS NEWS

### YOUNG HANDLERS

If you are under 18 and take part in Young Handler's classes at any show with your Longhorn cattle please let the office know as the results will count towards the Young Handler's Award. Young Handler events at Society sales also count.

### SOCIETY AGM

This year's AGM heads to Wales on the weekend of Saturday 15 and Sunday 16 October.

Our base will be the Cawdor Hotel in the beautiful town of Llandeilo, Carmarthenshire, situated on the River Towy. We will be visiting the Llewellyn family's Carreg Herd and Carreg Cennen Castle on Saturday and then on Sunday we are visiting Andrew Williams' Rhyfel herd at Pontarddulais, just outside Swansea.

We'll also hold the photo competition again this year, with the judging taking place at the AGM. Make sure you take your camera or phone with you whenever you are with your cattle and start getting some pictures lined up! Details of the competition are on the next page.

**Booking forms for the AGM are available either online or can be posted.**

## PHOTOGRAPHIC COMPETITION

**The Society will be holding a photographic competition, to be judged at the 2016 AGM. The entries in each class will be displayed at the AGM and the winners decided by the Members votes. The categories will be:**

1. Posed animal (cow & calf count as one unit) - haltered or free
2. Small herd (ten animals or under) in a landscape
3. Large herd (over ten animals) in a landscape
4. Longhorns at shows
5. Humorous: members and/or cattle
6. Longhorns in commercial setting e.g. pedigree bull with commercial cows, suckler cows, stores/prime stock

#### **Rules**

1. **Closing date for entries is Friday 30 September 2016**
2. No entry fee
3. All photographs must be taken by members of the Longhorn Cattle Society.
4. No photographs from professional photographers allowed.
5. No photographs that have been entered into any previous competition allowed.
6. It will be a condition of entry that photographs entered may be used by the Society for any purpose without fee.
7. Entries must be sent to the Secretary by the closing date giving full details of which class/es are being entered.
8. Participants do not have to attend the AGM.

#### **How to Enter**

Entries can be sent to the Secretary by post, disc memory stick or email. In each case each photograph must be identified with the members' name and the class being entered. If you are sending photographs by email do check with me that I have received them if you don't get an acknowledgement as sometimes big files don't make it through the spam filter!

## COUNCIL MATTERS

Preliminary notice is hereby given that the Longhorn Cattle Society CIO AGM will be held at Carreg Cennen Castle, Trapp, Llandeilo, Dyfed, SA19 6UA at 2.00pm on Saturday 15 October 2016

## TYPE CLASSIFICATION OF LONGHORNS

Following in the footsteps of breeds such as the Dexters and Beef Short-horns the Society will soon be launching a type classification scheme for Longhorn cattle.

Cattle are assessed by experienced classifiers from Holstein UK. Assessed on 14 different linear traits that make up four composite traits, a final score results in a grade from 'poor' to 'excellent'. This grade is then appended to the animal's pedigree so anyone can see how an animal has been independently assessed. As the scheme develops multiple generations of cattle will be inspected and the results will inform members which cattle they should retain in their herd to improve the quality of both their herd and the national population.

Council met recently to decide on how the grading points should be allocated and it is hoped that a demonstration of type classification will be held at the AGM to show members the process and provide more detailed information.

Council have also agreed to offer financial support the first twenty members that sign up to the scheme once it has launched. Further information will be available very soon.

### BULL REGISTRATIONS

**BULLS THAT HAVE EITHER XB OR BN AND THEN A FIVE FIGURE NUMBER AFTER THEIR NAME ARE NOT REGISTERED AND CANNOT BE USED AS HERD SIRES UNTIL THEY HAVE PASSED THE SOCIETY'S REGISTRATION PROCESS. THE RULES FOR REGISTERING BULLS ARE EITHER ON THE REGISTRATION FORM OR IN THE HERDBOOK.**

Those members wishing to register bulls can download a registration form from the website or ring the office for one - in any case please get in touch as you will need a hair sample bag for each bull being registered. The registration form, photographs and sample bag must be signed by a vet and these, along with the payment for registration must be received before the registration will be processed.

Allow yourself plenty of time, especially if you are thinking of entering your bull for a show or sale and never assume the office has received the documentation!

**PLEASE NOTE THAT FROM 1 JANUARY 2016 BULL REGISTRATION FORMS MUST BE RECEIVED BY THE OFFICE NO LATER THAN ONE MONTH FROM THE TIME THE ANIMAL WAS WEIGHED, OR RE-WEIGHING WILL BE REQUIRED**

### YEAR LETTER

### PARENTAGE VERIFICATION

The purity of the Longhorn breed is one of it's major selling points and Council have decided that a random selection of heifers should be DNA sampled to verify their parentage. To this end the owner of each 100th female registered, starting from 1 January 2015, will be asked to provide a hair sample of the calf and both parents.

Should the sire not be on the holding then the current owner will be asked to provide a sample if one is not already held. DNA samples of all AI bulls are already held and if the bull is dead then a sibling or close relative will be sought.

Samples were collected throughout 2015 as those of you who have been contacted will know and this will continue in 2016.

## REDUCING MOVEMENT REPORTING

DEFRA will be rolling out changes to the way keeper have to report movements to different holdings within a 10 mile radius. If you have a Sole Occupancy Authority and/or linked holdings on CTS you should have received a letter by now. More information at the DEFRA website. [www.gov.uk/defra](http://www.gov.uk/defra)

## OFFICE CLOSURE

The office will be closed from Tuesday 30 August and will re-open on Wednesday 7 September.

## HERDBOOK 'HOW TO'

Increasing numbers of members use the online Grassroots Herdbook system via the Society website to register their cattle and let the Society know about deaths and transfers.

One of the most common queries I get is about the 'Shopping Basket' that appears once you have processed any transactions that attract a fee. This DOES NOT link into the Society's accounts system and it is there so you know how much to pay the Society. It is meant to be printed off and sent to the office with your payment but now more people are paying via BACS this does not happen and the 'outstanding balance' accumulates. To clear off this balance do the following:

Click on 'Proceed to Checkout'  
Click on one of the payment methods  
Click on return to 'Manage your herd'

This will clear the balance off and not give you such a shock the next time you log on!

## TB COMPENSATION

Whilst the eradication of Bovine TB should be at the forefront of DEFRA's minds, it's inexorable creep across the country means more and more members are being affected. A quick look at the difference between the compensation you will receive for a registered pedigree animal and a non pedigree animal might make registration of all your calves a consideration. Retrospective pedigree registration of TB reactors is not permitted.

The table shows compensation for August 2016. It is updated each month.

The table is applicable to England only - Wales and Northern Ireland are on individual valuation and Scotland is TB free.

Further explanation and the most recent compensation table is available on the TB hub website <http://www.tbhub.co.uk/> and there is a link on the Society website.

**MID WEST SUMMER VISIT**

The Mid West Group summer visit was held at Pete Grabham's Watton herd at Tiverton in Devon.

Peter farms 30 pedigree Longhorn cows alongside his 250 head commercial herd and all finishing cattle are dehorned and fed on a home produced finishing ration before going to either a butchers shop or one of two farm shops he supplies.

## SOCIETY SUMMER VISIT

Glorious summer weather accompanied around 30 Longhorn members to David and Fiona Howden's Pointer herd at Ludgershall in Buckinghamshire on 6 August.

We were shown the cattle, sheep and pigs as well as the vegetable garden and polytunnels and then had a fabulous lunch at the Pointer pub in Brill, also owned by the Howdens where most of the menu is supplied from the farm itself.

More photos of the day are on the website.
