Dear Members

Welcome to the first newsletter of 2018. At the time of writing snow and freezing temperatures are making life difficult both here and with members in Europe.

We've got a busy year ahead, with events, visits and workshops all planned. Full details are in the newsletter and of course please keep an eye on the website for up to date news and information.

There have already been two sales this year, with more scheduled for later in the year; the Gorse sale in particular will be a notable occasion and we wish Joshua Brigg a speedy recovery from his operation to have vertebrae replaced in his neck.

Unfortunately the Society has lost members recently; our condolences go to their friends and families.

Please remember that the Society has a new telephone number, please replace the 0845 number with the number below - only the 0845 bit has changed to 0345

SHOWING WORKSHOP, 7 APRIL 2018

The Society is organising a Showing Workshop, covering all aspects of selection, feeding, show preparation, halter training and ring-craft. To be held at Lower Lawn Farm, Wotton Underwood by kind permission of David Howden and Jamie Brewer.

Full details of the day to follow, but if you are interested in attending please email Debbie - secretary@longhorncattlesociety.com or telephone 0345 017 1027

SUMMER VISIT, 8 JULY 2018

The Society's summer visit for 2018 is to George, Jackie and Thea Woollatt's Gupworthy herd, by kind invitation, which recently moved from Somerset to Wales.

The Woollatt family moved from Exmoor to Chepstow in September 2017 and now farm at Gaer Hill Farm, overlooking Chepstow Racecourse, the Severn Estuary and both Severn crossings. With a mixture of Longhorn and commercial cattle they are settling in to their new, all-grass farm and will show members their cattle before serving afternoon tea. Meet at 2pm.

If you wish to attend please email Debbie - secretary@longhorncattlesociety.com or phone 0345 017 1027.

Final details will be sent to all attendees nearer the time

NORTHERN LONGHORN BREEDERS' SUMMER VISIT, 15 SEPTEMBER 2018

Graham Walker says...

"The Lennox family have invited the Northern Longhorn Breeders' Group to visit their herd on Saturday 15 September, and extend their invitation to all Society members.

The plan for the weekend is for members to make their own way up to Aberdeen on Friday 14 September and meet at the Hotel that has been reserved, where there will be a three course meal at around 7.30pm (time to be confirmed) at a cost of £15 head. Then an overnight stay with breakfast on the morning of Saturday 15th. The hotel have agreed to do a double room for £60 a night and a single room for £50 a night each including breakfast - a saving of around £30 a room if not booked within the group.

The visit to Doonies Farm will start at around 10am with a visit to the Longhorn cattle and the rest of the farm.

The Lennox family have kindly offered to provide members with a buffet lunch including Doonies beef free of charge and just ask for donations to the RBST which is very generous of them.

On Saturday afternoon members can make their own way home or if they choose, make a weekend of it and have two nights at the hotel and free time on Sunday in Aberdeen.

Doonies Farm and the hotel are only a few miles away from Aberdeen town centre and railway station so the possibility of taking the train up feasible which would save a long drive.

Alice Lennox has worked hard to plan this weekend so I hope we get lots of support and interest as the Aberdeen herd is well worth viewing and will make a good social visit.

I look forward to hearing from you all and any questions just ask."

Please let Graham Walker know if you wish to attend – rooms are limited so book early to avoid disappointment! Email: walkergraham93@gmail.com
Mobile: 07957 208021

SOCIETY AGM, 12-14 OCTOBER 2018

This year the Society AGM heads north to Co Durham. On Saturday 13 October we will be visiting the Hodgson family's Harold herd, and many other enterprises, at Piercebridge near Darlington and our overnight stay will be at the George Hotel in Piercebridge. On Sunday we are hoping to have a visit to the Raby Herd at Raby Castle near Staindrop.

Further details and the booking form will be available soon via the website, monthly email newsletter or the next edition of the printed newsletter but put the dates in your diary now!

For more information about the Hodgson family see their website <http://piercebridgeorganics.co.uk>

NBA BEEF EXPO 2018

Beef Expo 2018, organised by the National Beef Association will be on Thursday 24 May and Friday 25 May 2018. The Expo event will be held at Hall's Shrewsbury Livestock Auction Centre, while the farm tours will be held in the surrounding area.

The first day will see the farm tours, followed by the annual Beef Expo Industry Dinner.

Friday 25 May will provide the ideal forum for producers to learn all about products and technical developments in the beef industry. Visitors can access the latest information and advice on production techniques with both indoor and outdoor trade stand areas. The overarching theme of efficient and profitable beef farming will also add to this high profile technical event.

The event has grown in size over recent years with more trade stands, demonstrations, competitions and visitors; on average the events attracts 6,000 serious beef farmer visitors annually and, with the marketing campaign the organisers are planning for 2018 it is anticipated that this number will increase. The Society will have a stand at the event, and cattle are kindly being provided by Mike & Yvonne Smith of the Hennisfield herd.

NEW INITIATIVE FOR SHOW NOVICES

Council are always keen to try to encourage members to take the plunge and have a go at showing their cattle. It can seem daunting to get cattle ready for showing and then actually lead them and show them at their best in the show ring and members who haven't done it before may feel it's not for them. Wrong!! Showing is something everyone can do and it's never as scary as you think!

For 2018 the Society is launching a new initiative to help out new exhibitors. Firstly a 'starter pack' of showing equipment will be available for the first three members who apply, secondly a 'buddy system' will be put in place to match people who wish to start showing with a member in their area who is able to offer help and support with halter training, feeding and show preparation.

A showing workshop has been arranged for Saturday 7 April, see page 4 for more details.

If you haven't dipped your toe into the wonderful world of showing yet and would like to take up this offer please let the office know. Alternatively if you would like to be a 'show buddy' and help a member near you who would like to start showing please let the office know. And remember that the Paul Lockett Newcomers Award is presented at the AGM each year to the member gaining the most points during their first season showing in their own right.

SOCIETY NEWS

FRIENDS REMEMBERED

The Society sends it's condolences to the friends and family of members and past members who have passed away recently.

.....o000o.....

Aiden Gumbley passed away before Christmas and the herd he owned with his parter Liz Lawson was dispersed at Holmfirth Market in February.

.....o000o.....

Past member Bill Lupton passed away in February aged 80. He and his wife Helen had the Luptat herd of Longhorns in the 1980's and 1990's and were very successful in the showring during those years. Due to ill health, in 1997 the entire Luptat herd was sold to David and Angela Blockley as the Luptons did not want the herd split up on it's dispersal. The Luptons were from Ripon, North Yorkshire and donated the Econ salver for the Champion Longhorn at the Great Yorkshire show, named after the company they ran building road gritters. Mike Tisdale adds that Bill was also a philanthropist, donating a piece of equipment for cancer research at Aston University, Birmingham.

.....o000o.....

Mick Girling of the Judemik Herd of Longhorns died suddenly on February 14, aged 75 years. Condolences go to his partner Judith Green. The Judemik herd is being dispersed at Darlington Farmers' Auction Mart on Tuesday 13 March. See the website for more details.

.....o000o.....

The Society's thoughts are also with Stephen Wright of the Brookfield herd who lost his wife Maggie after many years of having MS.

SOCIETY NEWS

SLAUGHTER WEIGHTS NEEDED

As always the Society is real need of information to provide to potential members, butchers, finishers and consumers. If you take animals through to finishing can you think about the Society and drop the office an email with the eartag number of the animal, it's date of birth and it's slaughter weight. Even better still, notify the death using the online Herdbook and put the slaughter weight in the 'details' field. If you have a EUROP grid grade that would also be really helpful. Thank you!

SOCIETY SALES

The Longhorn breed is known for it's resilience and hardiness but the Society sales are the breed's shop window and potential new members may be put off by seeing cattle in poorer condition. Council want you to get the best price for your cattle at Society sales and be happy with what you have put forward to represent your herd and the breed.

When assessing your cattle for potential entry to Society sales please consider if they will be in a condition that will reflect well on you as a vendor as well as the breed in general. If in doubt please ask Debbie to arrange for a Council member to visit who will be able to advise you.

Council reserves the right to inspect any cattle entered for Society sales to assess their suitability.

TB testing is compulsory for all cattle entered in Society sales

ONLINE HERDBOOK SECURITY

As you will all be aware there have been a lot of international problems associated with cyber security in recent months. This has focused attention on additional web based security tools. As a result Grassroots Systems Ltd who provide our 'Pedeweb' on line flock/herd book facility have moved to a more secure **https system**.

In order to make sure you are using this new facility, you may need to clear your browsing data. When you log into Pedeweb you can see in the box at the top of the screen if you are on an **http** version or an **https** version of the site.

Below are instructions on how to clear your browsing data for the 4 common web browsers.

Firefox

Click on the Menu icon (3 horizontal bars) – top right of the page

Select 'Options'

Select 'Privacy' from the menu on the left

Click on 'Clear your recent history', under the 'History' heading

Chrome

Click on the 3 dots to the right of the address bar at the top of the page

Click on History & then in the box that appears to the left click History again

Click on 'Clear Browsing Data'

Where it says 'Obliterate the following items from:' select **the beginning of time** from drop down list

Untick all boxes except 'Cached images & files'

Click 'Clear Browsing Data'

Internet Explorer

Click on the cog symbol at the top right of the page

Click on 'Internet Options'

In the box that appears Select the 'General' tab at the top & on this page, under 'Browsing History' click the Delete button

On the list that pops up **untick** all boxes except 'Temporary internet files & website files'

Click the Delete button at the bottom

Transfer fees £15.00 + VAT = **£18.00**

Transfer fees are payable on breeding females and registered bulls by both buyer and seller unless an alternative arrangement is made between both parties

BULL REGISTRATIONS

Those members wishing to register bulls can download a registration form from the website or ring the office for one - in any case please get in touch as you will need a hair sample bag for each bull being registered. The registration form, photographs and sample bag must be signed by a vet and these, along with the payment for registration must be received before the registration will be processed. Allow yourself plenty of time, especially if you are thinking of entering your bull for a show or sale and never assume the office has received the documentation!

Emailed registration forms or photos can be accepted as long as you contact the office first - the Society has pretty strong spam filters on the computer which sometimes does not allow big photo files through. We have had an incident where a member thought an email had been sent but the office had never received it so please let the office know in advance that you are emailing pictures. Hair samples must be posted.

PLEASE NOTE THAT FROM 1 JANUARY 2016 BULL REGISTRATION FORMS MUST BE RECEIVED BY THE OFFICE NO LATER THAN ONE MONTH FROM THE TIME THE ANIMAL WAS WEIGHED, OR RE-WEIGHING WILL BE REQUIRED

SOCIETY NEWS

SOCIAL MEDIA

The Society website now has a new feature - a blog. Regular posts will include features on new members, news and reviews of Society events, Longhorn beef and generally posts about all things Longhorn. A blog is a more informal way of communicating about the breed to everyone who may be interested in Longhorns. If you think you may have a contribution to make about your Longhorns and what you are doing with them please email the office.

If you retail your beef in any way - beef boxes, farmers' markets, to a local butcher or restaurant - please let the office know and I'll add you to the 'buy Longhorn beef' page on the website.

The Society's Facebook page is
<https://www.facebook.com/longhorncattlesociety>

And the Twitter feed is:
<https://twitter.com/LonghornOffice>

Content is added to these on a regular basis so if you don't follow the Society please do so.

BEEF CERTIFICATES

Beef certificates are £6. They are proof that your finishing animal is a pure-bred Longhorn should you need to offer such proof to a butcher, finisher, meat marketing scheme or restaurant. You can buy them when you notify your male calves by clicking on the 'with beef cert' option or if you decide you need one when your animal is finished

SALES NEWS

CROFTLANDS DISPERSAL SALE, 1 FEB 2018

Due to ill health the Croftlands Herd was dispersed at Hopes Auction Co, Wigton, Cumbria. The sale was well supported with many cattle going to supplement the herds of Society members. Top price in the cows was for Croftlands Nikola, sold to Mr & Mrs B&T Stanley for 1300gns. In the heifers Peter Close had three heifers at 1280gns, Croftlands Qi, Croftlands Quinta and Croftlands Questa. Full report and prices on the website

LITTLE GREAVE DISPERSAL SALE, 13 FEB 2018

Due to untimely bereavement the Little Greave Herd belonging to Liz Lawson and the late Aiden Gumbley was dispersed at Holmfirth Auction Mart, West Yorkshire. A number of the cattle went to local member Tim Garside. Report and prices on the website

GORSE HERD NEAR COMPLETE DISPERSAL, 18 AUGUST 2018

The 'Gorse' herd of pedigree Longhorns - the oldest privately owned herd in the country - will be almost completely dispersed on Saturday 18 August 2018, removed to Worcester Market for the convenience of sale. Approximately 50 head will be offered for sale. There is a requirement by the Brigg family to reduce the herd as Joshua has had major surgery to replace damaged vertebrae in his neck which will mean a long recuperation. Further details will be announced in due course via the website, newsletters and McCartneys but put the date in your diaries to secure bloodlines from this special herd

SHOWS NEWS

SOCIETY NATIONAL SHOW 2018

The Society's National Show for 2018 will be the Royal Three Counties Show at Malvern, Worcestershire on 15 - 17 June. The main show classes are on Friday 15th and the Native and Rare Breed classes are on Sunday 17th. Join the Society for a Longhorn lunch each day in the hospitality marquee that will be situated

YOUNG HANDLERS AWARD

All Junior members are eligible for the Frank Sutton Young Handlers Award. If you take part in any Junior stockhandling competition at any show please send the results to the office. The Young Handler with the most points over the season will win. The shows do not have to have Longhorn classes and whilst it would be great if you were to show a Longhorn, it isn't compulsory!

RULE CHANGE

'Disbudded cows, heifers or bulls are eligible to compete in show classes for breeding cattle. Only fully registered animals will be eligible to compete in show classes for breeding cattle. Disbudded cattle may be shown at Society sales.'
This rule change means that disbudded cattle are now allowed in the show ring and of course can be entered at Society sales.

TYPE CLASSIFICATION

Following in the footsteps of breeds such as the Dexters, Beef Shorthorns and now the Simmentals the Society has been running it's type classification scheme for nearly a year now.

Longhorn breeders have made huge strides in the last 20 or so years to improve their cattle through careful and selective breeding. Type classification provides an independent assessment of members' cattle in order to identify strengths and weaknesses within the herd and speed up breed improvement.

Type classification is also an excellent independent guide for new members who will be able to select cattle that have been assessed when establishing a herd if they wish.

Cattle are assessed by classifiers from Holstein UK who have been specially trained to classify beef cattle. Assessed on 14 different linear traits that make up four composite traits, a final score results in a grade from 'poor' to 'excellent'.

This grade is then appended to the animal's pedigree so anyone can see how an animal has been independently assessed. As the scheme develops multiple generations of cattle will be inspected and the results will inform members which cattle they should retain in their herd to improve the quality of both their herd and the national population.

The breeders that have had their animals classified so far this year have all reported that the process has been straightforward and very positive. These members, and a list of the cattle that have graded VG (Very Good) and EX (Excellent) are in the Knowledgebase on the website. See the link below.

If you think this is something you would like to participate in please contact the office for more information or go to the link below. If you'd like to talk to a member who has had their cattle classified please contact any of the members listed in the link.

TB COMPENSATION

Whilst the eradication of Bovine TB should be at the forefront of DEFRA's minds, it's inexorable creep across the country means more and more members are being affected. A quick look at the difference between the compensation you will receive for a registered pedigree animal and a non pedigree animal might make registration of all your calves a consideration. Retrospective pedigree registration of TB reactors is not permitted.

The table shows compensation for March. It is updated each month.

The table is applicable to England only - Wales and Northern Ireland are on individual valuation and Scotland is TB free.

Further explanation and the most recent compensation table is available on the DEFRA website, and the website www.tbhub.co.uk also has current information.

Age	Non pedigree male	Pedigree registered male
Up to 6 months	£244-£406	Individual valuation
6-12 months	£728-£872	Individual valuation
12 to 20/24months	£968-£1032	£5278
20/24+ months	£1107	£2443

Age	Non ped female	Pedigree registered female
Up to 6 months	£185-£352	Individual valuation
6-12 months	£614-£754	£2197
12 to 16 months	£857	12-24m £1907
16-20 months	£930	24+ m not calved £2061
20+ months	£1030	24-36m calved £1244
		36m+ calved £1376

Are you a cattle keeper in the High Risk or Edge Area of England?

If so, you can now access tailored advice to reduce the risk and impact of TB on your farm.

Experienced farm consultants are available to give advice by telephone or during an on-farm advisory visit.

The service is funded by Defra through Rural Development Programme for England (RDPE), so there is no cost to eligible farmers.

Fishwick Longhorns

Fishwick Lord of the Rings

Sire: Carreg Cennen Dam: Croc Mhor Foxglove

Bull of the Year 2012 and 2013 - Semen for Sale

Some outstanding 2016 /17 sons for sale incl: two out of Croc Mhor
Katkin - dam of Once in a Lifetime, Pascal and Queensberry Boy

Fishwick Maccarty, pictured above alongside his dam, Fishwick Donna, was the main sire of our 2015 calf crop and will return home to sire the bulk of the 2019 crop. He is by Bolin Eugene - sire of Fishwick Kanara, Breed Champion and Interbred Heifer Champion Royal Welsh Show 2012 and Breed Champion Great Yorkshire Show 2015. Maccarty was shown successfully in 2013 when only 12 months old. Donna was Breed Champion at the 2005 Royal Show. For the future we hope that Lord of the Rings and Maccarty will do for the breed what Lamtrothy Keiriel and Fishwick Kinsman combined to do in the 90's; combining strength, power and fitness to take the breed forward to a new dimension.
