## **FOREWORD**

Due to divorce settlement, Billhole Farm has been sold, and as a result of this Thursday 15<sup>th</sup> August will be a comprehensive sale of the farm's live and deadstock.

Alan ceased dairy farming and dispersed his Pedigree Ayrshire Herd during 2000 due to ill health. As his health improved he established the Landmark Stud in 2004. All of the Mares, Foals and Youngstock will be sold in the sale (please see further details above Lot 115).

A shared interest with Jim Pearce in cattle breeding brought about the creation of the Landmark & Menadue herds of Longhorns in 2009. Purchases were made from some of the most respected herds to include COLABA, CWRT HENLLYS, EBOR, EMROCK, FROG LANE, HOMINGTON, LONG ASH, QUANTOCK, QUENBY, ROOKSBRIDGE and TRIPPS. As the herd is still in its infancy most of these founding cows are still in the herd and offer potential purchasers the opportunity to source some excellent bloodlines from a high health herd that is Lepto vaccinated, BVD vaccinated and accredited, and Johnes monitored. The youngstock carrying the Landmark & Menadue prefix are just beginning to enter the herd and show real potential

The Longhorns are commercially managed and some have been crossed with the Devon, Gelbvieh and Parthenaise bulls to produce well shaped store cattle that finish off grass. The Parthenaise breed is a recent venture with stock imported from Ireland, this French breed has exceptional muscling and is proving to be easy calving with the calves demonstrating impressive growth traits in their early months.

The herd was TB pre movement tested on the 9th July 2013.

### **LONGHORN SOCIETY**

Debbie Dann Secretary, Longhorn Cattle Society Tel/fax: 0845 017 1027 will be in attendance at the sale.

### **TRANSFER FEES**

A transfer fee of £10 plus VAT (£12.00) per lot (cows with calves at foot are £12, not £24) is payable by both the vendor and the purchaser. Pedigree certificates go to the Society whom send certs out to purchasers who have paid the transfer fee.

## THE LANDMARK STUD DISPERSAL

Founded by Alan in 2004 the Landmark Stud was established to breed performance horses for the future. The stud has used two stallions as the decision was made to breed Trakehner or Irish Draught partbreds, whilst also keeping a few registered Irish Draught mares, enabling some pure "Draughts" to be bred. In both breeds, the emphasis has been put on temperament with the aim to produce intelligent, yet lovable companions that are a good example of the breed.

All offspring are sold unbroken with several youngsters purchased for showing or as eventing prospects and nine years on the Landmark prefix is beginning to achieve good results.

Sadly due to his divorce, Alan has no option but sell all the Mares and Youngstock on the farm, these include a yearling colt & a filly foal, the last two offspring of the great Trakehner stallion Hollowcombe Imperium now deceased.

For further details please refer to the Stud website [www.landmarkstud.com](http://www.landmarkstud.com)

**NB:** Purchasers will be responsible for all transfer fees please refer to the Irish Draught Horse Society (GB) [www.idhsqb.com](http://www.idhsqb.com) 08452 300399 for full details.

***All horses will be SOLD AS SEEN any potential purchaser wishing to carry out any vet inspections will be expected to have done so prior to the day of sale.***
