

LONGHORN SHOW RESULTS 2021

Great Yorkshire Show
Judge: Clive Davies
15 July 2021

It almost felt a little strange to step back into a showing after the break, but through the excellent efforts of the Yorkshire Agricultural Society, the support from Longhorn exhibitors old and new and many interested enthusiasts looking on, a great time was had by all. I was extremely honoured to be invited to place the well-filled Breed classes. The competition was fiercely fought with many exceptional animals on parade.

Four bulls were evenly split between the two age groups. In both classes the choices were between males that were a little different to each other in type. In the event my top selections were with those with slightly more scope not least because whilst displaying adequate volume and conformation, their movement was a little more free than their opponents. The second prized Senior Bull, Gupworthy Thruxton had strong muscle and shape but whatever, I envisage that his greatest strength lies within his pedigree make-up, researched after the event. This comprises of some of the greatest names within the modern-day breed and within just four generations back involves four different sons of the celebrated Huntsham Cardinal which all-in-all will help his cause as foundation sire within the recently formed Longbridge Herd, exhibiting for the first time. The Senior winner, Southfield Panther, became Male Champion, mainly because of being such a free mover and the younger, Gentons Usher, promising in the runner-up's spot. Observing CountryGirl Media's exceptional gallery following the event, the balance displayed by this junior, light fore-end, well formed hindquarter, will hold him in good stead for his future.

The female section offered much competition. It was encouraging to witness three seniors, all accompanied with promising calves. Two first calving three-year-old heifers led the way. The very stylish, lengthy Fishwick Superstar and her heifer calf took first place over the extremely practical Southfield Sapphire, already a strong milker, doing her well-made bull calf, just a treat.

Of the Senior heifers, Southfield Taboo was complete and the class leader. Second prize followed-on with the stretchy Fishwick Tamarisk, but she was only just ahead of the feminine and correctly constructed, well-travelled Maudlin Taboo. The future of these promising breeders will be viewed with interest.

The strongest class of the day completed the individual classes. The very well presented, Gentons Ultra was the leader. Conformation, construction and character all in bucketfuls. Southfield Umtali and Longbridge U-Turn followed on respectively demonstrating style and presence over the other strong competitors.

The Female Championship went the way of Fishwick Superstar who impressed from all angles with the Junior Champion of the show, Gentons Ultra taking Reserve. Superstar became Breed Champion over Southfield Panther.

This whole exercise was so worthwhile. Getting Longhorns back into the public domain, is so valuable for numerous reasons. Being the first show event of 2021 for most of the exhibits, if not all of them, the top cattle of the day displayed themselves a little better than others but all would have benefited from the outing. Some appeared to carry a bit of excess condition that some additional exercise and trips out would surely bring under control?

It is hoped that everyone involved, within the ring or from the outside enjoyed Harrogate? Many have missed such exhibitions. We can be grateful to see them back. I enjoyed it, even more than expected!!!! Thank you....

Clive Davies, Westwood
