Longhorn Cattle Society CIO Constitution

1 NAME

The name of the Charitable Incorporated Organisation ('the CIO') is the Longhorn Cattle Society

2 NATIONAL LOCATION OF PRINCIPAL OFFICE

The CIO must have a principal office in England or Wales. The principal office of the CIO is in England.

3 OBJECTS

The objects of the CIO are:

- To encourage, promote and improve the breeding of Longhorn Cattle and to maintain their purity;
- To maintain a Herdbook of Longhorn Cattle

In furtherance to the above objects but not further or otherwise the Society shall have the following powers:

- To promote shows and/or sales for Longhorn Cattle;
- To do all things necessary for the attainment of the above objects

Nothing in this constitution shall authorise an application of the property of the CIO for the purposes which are not charitable in accordance with [section 7 of the Charities and Trustee Investment (Scotland) Act 2005] and [section 2 of the Charities Act (Northern Ireland 2008)]

4 POWERS

The CIO has power to do anything which is calculated to further its object[s] or is conducive or incidental to doing so. In particular, the CIO's powers include power to:

- 4.1 borrow money and to charge the whole or any part of its property as security for the repayment of the money borrowed. The CIO must comply as appropriate with sections 124 and 125 of the Charities Act 2011 if it wishes to mortgage land;
- 4.2 buy, take on lease or inexchange, hire or otherwise acquire any property and to maintain and equip it for use;
- 4.3 sell, lease or otherwise dispose of all or any part of the property belonging to the CIO. In exercising this power, the CIO must comply as appropriate with sections 117 and 119-123 of the Charities Act 2011.
- 4.4 employ and remunerate such staff as are necessary for carrying out the work of the CIO. The CIO may employ or remunerate a charity trustee only to the extent that it is permitted to do so by clause 6 (Benefits and payments to charity trustees and connected persons) and provided it complies with the conditions of those clauses;
- 4.5 deposit or invest funds, employ a professional fund-manager, and arrange for the investments or other property of the CIO to be held in the name of a nominee, in the same manner and subject to the same conditions as the trustees of a trust are permitted to do by the Trustee Act 2000;

5. APPLICATION OF INCOME AND PROPERTY

5.1 The income and property of the CIO must be applied solely towards the promotion of the objects:

- 5.1.1 A charity trustee is entitled to be reimbursed from the property of the CIO or may pay out of such property reasonable expenses properly incurred by him or her when acting on behalf of the CIO.
- 5.1.2 A charity trustee may benefit from trustees indemnity insurance cover purchased at the CIO's expense in accordance with, and subject to the conditions in, section 189 of the Charities Act 2011.

- 5.2 None of the income or property of the CIO may be paid or transferred directly or indirectly by way of a dividend, bonus or otherwise by way of profit to any member of the CIO. This does not prevent a member who is not also a charity trustee receiving:
- 5.2.1 a benefit from the CIO as a beneficiary of the CIO;
 - 5.2.2 reasonable and proper remuneration for any goods or services supplied to the CIO.
- 5.3 Nothing in this clause shall prevent a charity trustee or connected person receiving any benefit or payment which is authorised by Clause 6.

6 BENEFITS AND PAYMENTS TO CHARITY TRUSTEES AND CONNECTED PERSONS

6.1 General provisions

No charity trustee or connected person may:

- 6.1.1 buy or receive any goods or services from the CIO on terms preferential to those applicable to members of the public;
- 6.1.2 sell goods, services, or any interest in land to the CIO;
- 6.1.3 be employed by, or receive any remuneration from, the CIO;
- 6.1.4 received any other financial benefit from the CIO

Unless the payment or benefit is permitted by sub-clause 6.2 of this clause, or authorised by the court of the Charity Commission ('the Commission'). In this clause, a 'financial benefit' means a benefit, direct or indirect, which is either money or has a monetary value.

6.2 Scope and powers permitted trustees' or connected persons' benefits

- 6.2.1 A charity trustee or connected person may receive a benefit from the CIO as a beneficiary of the CIO provided that a majority of the trustees do not benefit in this way.
- 6.2.2 A charity trustee or connected person may enter into a contract for the supply of services, or of goods that are supplied in connection with the provision of services, to the CIO where that is permitted in accordance with, and subject to the conditions in, section 185 to 188 of the Charities Act 2011.
- 6.2.3 Subject to sub-clause 6.3 of this clause a charity trustee or connected person may provide the CIO with goods that are not supplied in connection with services provided to the CIO by the charity trustee or connected person
- 6.2.4 A charity trustee or connected person may receive interest on money lent to the CIO at a reasonable and proper rate which must not be more than the Bank or England bank rate (also known as the base rate).
- 6.2.5 A charity trustee or connected person may receive rent for the premises let by the trustee or connected person to the CIO. The amount of the rent and the other terms of the lease must be reasonable and proper. The charity trustee concerned must withdraw from any meeting at which such a proposal or the rent or other terms of the lease are under discussion.
- 6.2.6 A charity trustee or connected person may take part in the normal trading and fundraising activities of the CIO on the same terms as members of the public.

6.3 Payment for supply of goods only – controls

The CIO and its charity trustees may only rely upon the authority provided by sub-clause 6.3.3 of this clause if each of the following conditions is satisfied:

- 6.3.1 The amount or maximum amount of the payment for the goods is set out in a written agreement between the CIO and the charity trustee or connected person supplying the goods ('the supplier').
- 6.3.2 The amount of maximum amount of the payment for the goods does not exceed what is reasonable in the circumstances for the supply of the goods in question.
- 6.3.3 The other charity trustees are satisfied that it is in the best interests of the CIO to contract with the supplier rather than with someone who is not a charity trustee or connected person. In reaching that decision the charity trustees must balance the advantage of contracting with a charity trustee or connected person against the disadvantages of doing so.

- 6.3.4 The supplier is absent from the part of any meeting at which there is a discussion of the proposal to enter into a contract or arrangement with hm or her or it with regard to the supply of goods to the CIO.
 - 6.3.5 This supplier does not vote on any such matter and is not to be counted when calculating whether a quorum of charity trustees is present at the meeting.
 - 6.3.6 The reason for their decision is recorded by the charity trustees in the minute book.
 - 6.3.7 A majority of the charity trustees then in office are not in receipt of remuneration or payments authorised by clause 6.
- 6.4 In sub clause 6.3 and 6.3 of this clause:
- 6.4.1 'the CIO' includes any company in which the CIO:
 - (a) Holds more than 50% of the shares; or
 - (b) Controls more than 50% of the voting rights attached to the shares; or
 - (c) Has the right to appoint one or more directors to the board of the company;
 - 6.4.2 'connected person' includes any person within the definition set out in Clause 30 (Interpretation)

- 7.1 declare the nature and extent of any interest, direct or indirect, which he or she has in a proposed transaction or arrangement with the CIO or in an transaction or arrangement entered into by the CIO which has not previously been declared; and
- 7.2 absent himself or herself from any discussions of the charity trustees in which it is possible that a conflict of interest will arise between his or her duty to act solely in the interested of the CIO and any personal interest (including but not limited to any financial interest)

9.6.1 The charity trustees may create associate or other classes of voting or non-voting membership, and may determine the rights and obligations of voting of any such members (including payment of membership fees), and the conditions for admission to, and termination of membership of any such class of members.

9.6.2 Other references in this constitution to 'members' and 'membership' do not apply to non-voting members, and non-voting members do not qualify as members for any purpose under Charities Acts, General Regulations or Dissolution Regulations.

- (k) Following the final declaration of the result of the vote, the scrutineers must provide to a charity trustee or other authorised person bundles containing evidence of members submitting valid email votes; evidence of invalid votes; the valid votes; and the invalid votes.
- (l) Any dispute about the conduct of a postal or email ballot must be referred initially to a panel set up by the charity trustees, to consist of two trustees and two persons independent of the CIO. - 7 If an embryo is sold or transferred to other ownership by the owner of the donor female, either unfrozen, frozen or in a recipient female, the Society must be informed via a Embryo Amendment Form.
- 8 If at one and the same time more than one embryo is transferred to a recipient, those embryos must be of the same parentage.
- 9 Recipient dams need not be registered with the Society.
- 10 In calf recipients, or recipients with ET calves at foot can be sold at official Society shows and sales.

Embryo Transfer Calves

- 11 The member notifying the birth of a calf resulting from an embryo transfer must insert the letters "ET" in the extreme right hand column of the birth notification form, or by selecting the 'ET' option on the online registration form. "ET" will be inserted as a suffix. All notifications must be made within the standard time limits.
- 12 Should registration of an animal born as a result of embryo transplant be applied for, the animal must be parent verified by sending a hair sample to the office for parent verification. This will be at the member's expense, charged at cost. The animal will only be registered once the parentage has been verified.

Registration fees:

- 13 Registrations fees for heifers and bulls born as a result of ET will be the same as those detailed on page 27 of the 2018 Herdbook, and will be subject to the same late registration fees. Bulls will be subject to the inspection and weight regulation rules in force at the time of registration
- 14 Animals or embryos sold for export must be accompanied by a pedigree export certificate obtained from the Society.

Notwithstanding these regulations, all other Society rules and regulations will apply to the conduct and manner for any embryo transplant programme.

The Council reserves the right to amend, alter or make additions to these regulations as and when they think fit.

(Amended 2019)

Longhorn Cattle Society Polled Register

The Longhorn Cattle Society Polled register was established in 1984 and is subject to the following rules agreed at the Society AGM 24th Nov 1984.

1. There is a straight forward grading up scheme to 31/32nds (ie 5 top crosses)
2. No bull may be registered until it is out of a fourth grade cow.
3. The first cross poll female should be the progeny of one pedigree Longhorn parent while the other parent shall be of pure beef breeding.
4. After the first cross each subsequent generation must be by a pedigree Longhorn bull.
5. No horned progeny of polled cattle will be eligible for registration in either herd book.
6. The word 'Poll' must appear as part of the name of every animal in the poll register.
7. Animals in the Poll register should be tattooed with the herd Number, followed by the letter 'P'. Beneath this should be the year letter (D for 1985), the individual number and finally the grade, A.B.C.D.P.
8. All breeders of polled cattle wishing to register them, must pay the Longhorn Cattle Society a separate herd Registration fee of £10 plus VAT.
9. All registrations must be made through the Longhorn Cattle Society Registrations Office at the same rate (currently £25+VAT) and under the same rules as for pedigree Longhorn calves.
10. It was further agreed at the subsequent Council Meeting that the Polled Register should not be promoted in any Longhorn literature and that the polled animals should not appear in the main Herd Book.
11. A list of animals registered in the Polled Register is available from the Society office.

Judge: Graham Towers

Well what a pleasure to judge full classes with quality from top to bottom.

Junior Bull

Four very correct bulls paraded, all with good locomotion and full of meat. Superb tops and great length which is just what I like to see; all have a bright futures as breeding bulls.

Cow & Calf

One cow and two first calved heifers all rearing super calves. The cow just having more power over the heifers, but all three were very correct in conformation.

Senior Heifer

Six great heifers, the top three very little to choose between them. First place just having the edge.

Junior Heifer

Eight super heifers forward-only thing separating the top four from the bottom four was body condition. All very correct heifers, look forward to seeing them all in twelve months' time (Great Yorkshire Show!)

Breed Champion

My Champion came from the Senior Heifer class. She had stretch, power and just floated around the ring. The reserve champion was from the Junior Bull class, just getting the nod over the cow and calf.

I'd like to thank all the exhibitors for bringing out such good quality animals and all the 'back room' helpers- the animals forward really were a credit to the breed.

Sadly entries were down this year, but the quality was there. The cattle accommodation was beyond palatial with plenty of room and the cattle entries were just under 500 overall. The Longhorns held their own in the group classes and had very favourable comments from the judge who keeps Angus and Charolais. Set in a fantastic setting and very substantial prize money, it is hoped entries will increase at future show.

LONGHORN SALES 2018

Society Spring Show & Sale, 21 April 2018, Worcester Livestock Centre

The Longhorn Cattle Society's Annual Spring Show and Sale at Worcester attracted a strong entry in terms of numbers and a top price of 2,200gns for the First and Reserve Male Champion Newton Acceleration, a two year old bull out of Fishwick Garnet from David Walker's York based herd, selling to ID & SS Backway, Wadebridge, Cornwall.

Bulls enjoyed the two top prices of the day with the Second Prize Junior Bull Riverlands Radagast from R & V Burton by Riverlands Mathom who took Breed Champion at the Society's National Show in 2014, selling at 1950 gns to C Brooks, Newark, Notts.

Females sold to a top of 1850 gns for the first lot into the ring Treverton Paloma, who took First, Female & Overall Champion in the pre Sale Show, from Rachael Heard's successful herd in Northamptonshire. The in calf heifer by Treverton Jethro and out of Treverton Kittiwake who was classified EX90 sold to B Facon, Banbury, Oxon.

The Treverton prefix also took the second highest priced female with Treverton Quick also out of Treverton Kittiwake at 1700 gns to A Pearson, Northern Ireland.

Cows and calves were closely followed although probably affected by the weather and lack of fodder and grazing, however Peter Osbourne's cow Birbury Queen Elizabeth, a fourth calver tracing back to Burke Trophy winner Eyebrook Richard with heifer calf at foot sold to some spirited bidding and was finally secured at 1500 gns by B Stanley, Melbourne, Derby.

Senior heifers peaked at 1100 gns for Mayfield Quaver, by Newton Viper from J Newton and taken by J Poulter, Evesham, Worcester.

Society Northern Show & Sale, 12 May 2018
Beeston Castle Auction Centre

The Annual Show and Sale of Longhorn Cattle for Northern Longhorn Breeders at Beeston Castle Auction, Cheshire last Saturday drew a huge crowd from all over the UK and Ireland provoking lively, competitive bidding for an excellent show of cattle.

The sale peaked at 2300 guineas for the 2015 born stock bull Oxlane Patrick included as part of a herd reduction of the Mossgiel Herd of Mr J and Mrs P Barlow. By Blackbrook Voldemort, Patrick had drawn admiring glances from many breeders pre sale, and it was G Myddleton, from Chirk, Oswestry, who beat off all others to take him home at 2300 guineas.

Judge for the day, Graham Walker, chose as his overall Champion, the young bull Bollin Rupert, an April 2016 born son of Blackbrook Warrior. He sold for 1300 guineas to M Naylor, Bakewell, Derbyshire.

A strong selection of cows with calves at foot sold to 1620 guineas for Stanthorne Orangina, a 2014 daughter of Kirklan Harris, sold with her ten day old heifer calf by Patrick at foot. She went home to Litton, Derbyshire with D G Saxby, who also went to 1550 guineas for another recently calved cow Mossgiel Lucky, a Southfield Harvester daughter, again sold with her ten day old heifer calf at foot.

Best of the annual production sale from Bollin Valley Partnership was Bollin Nan, a 2013 born Blackbow Strongbow daughter, who sold with her heifer calf at foot for 1320 guineas to D Bradshaw, Church Eaton, Staffordshire.

Maiden Heifers were also in demand, selling to 1220 guineas for Mossgiel Quercus, a March 2016 born Stoke Limited Edition daughter, who went home to Betchton, Sandbach with Tom Gardiner, with another Limited Edition daughter Mossgiel Quickstep, making 980 guineas to M Smith, Sutton-on-the-Hill, Derbyshire.

The sale has always showcased the commercial potential of Longhorn Cattle, with a run of strong steers from a number of Vendors selling to 820 guineas etc.

**Gorse virtual dispersal sale, 18 August 2018
Worcester Livestock Centre**

The virtual dispersal sale of John & Joshua Brigg's Gorse herd of Longhorn cattle – the oldest privately owned herd in the breed set new heights at Worcester when their eight year old cow Gorse Rosa by Underknoll Quest and out of Gorse Iberis sold with her heifer calf at foot by Lockinge Kit at a new breed record of 12,000gns to 11th Earl de la Warr, Withyham, Sussex.

Fierce competition throughout followed the cow who had previously bred Gorse Valentine Rose that won the breed's Cow of the Year Award in 2017. That set the trend for the sale with no fewer than 14 cattle over 2,000gns.

Next highest in the Cow & Calf section was recorded by Gorse Umber a third calver with bull calf at foot, by the 3,700gns Gorse Samson and out of Gorse QT who also bred Gorse Winegum that won four Breed Championships and was sold for 3,800gns, she was secured by Mr David Howden, Charlbury, Oxon for his "Pointer" herd. Close behind Umber in the pricing stakes was Gorse Umbrella; a third calver with heifer calf at foot knocked down for 3,400gns to Yvonne Ferguson, Steyning, Sussex.

A second calver Gorse Viola also by Gorse Samson and with a bull calf at foot by Gentons Pyrite levelled at a very creditable 2,700gns to Ms Jane Grant, Yorkshire. The same buyer taking Gorse Wellingtonia, a calved heifer with steer calf at the same price.

Senior Heifers were closely followed selling to 2,600gns for Gorse Xantippe, a Logan Brunel daughter out of a Gorse Samson dam to Mr Bertie Facon, Banbury, Oxon, with another Senior Heifer Gorse Xcel by Gorse Uncle Gary selling at 2,000gns to Mr Tom Mills, Bakewell, Derby.

Junior Heifers were hotly contested peaking at a creditable 3,200gns for Gorse Yana by Gentons 007 James Bond selling to Mr David Howden. A descendant of Watling Orchid an original cow from 1966 made 1,750gns also by James Bond to 11th Earl de la Warr, Sussex

Top price in the Bull Section was 5,400gns for Gorse Yukon an 18 month old son of Gentons 007 James Bond tracing to the 8,400gns Carreg Cennen and out of Gorse Rosa that achieved the new breed record price earlier in the sale, he was finally taken again by Yvonne Ferguson, Sussex for her Maudlin herd.

John Brigg is in many ways the 'father' of the breed, having been Breed Secretary in the 1960's and literally lifting the breed up by its boot laces to the status it holds in modern times.

Alice Lennox,

REGIONAL GROUPS

Longhorn breeders in different parts of the country have formed regional groups and organise herd visits, social events and herd competitions. They form a focal point for getting to know other like minded people and provide a potential for gaining stock and knowledge. All the groups are run by volunteers and enthusiastic group members, young and old, experienced or complete beginners are always welcome. Please do get in touch with your local support group co-ordinator and get involved in group activities.

BULLS AVAILABLE VIA ARTIFICIAL INSEMINATION

The Longhorn Cattle Society offers semen from 14 pedigree Longhorn bulls, enabling members and commercial users to obtain all the benefits of the Longhorn breed

Royalties as detailed in each bull's listing, re payable for the registration of a bull calf. All bulls are subject to inspection by a veterinary surgeon before they are registered and any royalty payable is in addition to the veterinary inspection and Society registration fees.

The royalty payment for registration of a bull calf by a gene bank bull reduces to £50 on the death of the AI sire. Once the sire has been dead for five years, no royalty is payable on registration of sons got by AI. However the royalty payment on sons got by Premium bulls does not alter after the death of the AI sire.
