Treverton herd leads Longhorn sale at Worcester at 4000gns

Having been tapped out in the pre-sale show to take the championship honours under judge Joshua Brigg, Treverton Vision, a senior heifer from Welford, Northants-based Rachel Heard then went on to jointly top the sale of Longhorns at Worcester on Saturday 20th May at 4000gns.

Born March 2021, this Tanfield Pilot daughter is out of a Treverton Orbit homebred female and was described by the judge as being a correct and stylish heifer with great length and locomotion. She was knocked down to Jane Grant for her York, Yorkshire-based Longbridge herd.

The Treverton herd then went on to hit the 4000gns mark for a second time with their first prize bull Treverton Valiant. Born April 2021, and again by Tanfield Pilot, this time out of Treverton Pandora, a Llantrothy Kestrel daughter. This one caught the eye of J P Holdcroft, Burton On Trent, Staffordshire.

Taking a call of 3600gns and selling for the second highest price on the day was Melbourne, Derbyshire-based Ben and Tori Stanley with their second prize heifer, Melbourne Park Juno. This Blackbrook Acer EX90 daughter is out of a homebred Blackbrook Trapper daughter and sold in-calf to the 2022 Great Yorkshire Show champion Herbertsherd Isaac to previous buyer Jane Grant.

Joining this one making the journey back to Yorkshire to the Longbridge herd at 2300gns were two of her herd mates, Melbourne Park Jewel, a Southfield Nuke daughter and at the same money was Melbourne Park Jet, another Nuke daughter.

The second highest price bull on the day at 3200gns was the May 2021-born Longbridge VJ from Jane Grant. By Blackbrook Alchemist EX92, this one is out of Overdale Molly, a Wellhead Dynamo daughter. Taking this one home was K and M Ede, Checkley, Staffs.

Then selling for 2600gns was Bakewell, Derbyshire-based Tom Mills with the October 2021-born bull, Wheatlands Voldemort. By Wheatlands Ruben EX90, he's out of Blackbrook Xia EX92 and heads across the water to Jamie Curran, Co Armagh, Northern Ireland.

Meanwhile, the pre-sale reserve champion and January 2022-born Blackbrook Gaea from John and Pat Stanley, Coalville, Leicestershire, then sold for 1650gns, again to Jane Grant. By Blackbrook Dougal, her dam is the Blackbrook Acer EX90 daughter, Blackbrook Dulcie.

Averages: 6 led senior heifers £2773.75; 2 led junior heifers £1548.75; 3 cows and calves £1592.50; 5 unled senior heifers £1312.50; 5 unled junior heifers £890.40; 3 bulls £3430.00 (McCartneys).
