Foreword

It is with great reluctance that the Bejon herd is to be dispersed following the sudden and untimely death of John Spalton.

The herd has an enviable reputation for producing sound, genuine stock and has been particularly successful at local and national shows in addition to achieving strong demand in the sale ring.

Several cattle have, in recent years, been sold to establish new herds with stud bulls starting to have a marked influence in the breed. One of John's most notable bulls, 'Bejon Dickie' won 1st, Breed and Interbreed Champion at the Society's Show and Sale, Melton Mowbray 2006 when sold for 2,300gns. In addition to winning 1st and Male Champion, Moreton in Marsh 2004 and Reserve Breed Champion, Newark & Notts. 2005 along with many other awards.

John had a wonderful reputation for helping other people and several cattle included in this sale belong to James Winnington who John took "under his wing" and allowed him to keep his cattle at the farm to establish a herd, regrettably it is now necessary for these cattle to also be dispersed.
