

**Northern Longhorn Breeders' Group visit to the Aberdeen Herd  
Saturday 15 September 2018**

**Doonies Farm, Coast Road, Nigg, Aberdeen, AB12 3LT**

The Lennox family have invited the Northern Longhorn Breeders' Group to visit their herd on Saturday 15 September, and extend their invitation to all Society members.

The agenda for the weekend is to make your own way up to Aberdeen on Friday 14 September and meet at the Hotel that has been reserved, where there will be a three course meal at around 7.30pm (time to be confirmed) at a cost of £15 head. Then an overnight stay with breakfast on the morning of Saturday 15<sup>th</sup>. The hotel have agreed to do a double room for £60 a night and a single room for £50 a night each including breakfast - a saving of around £30 a room if not booked within the group.

The visit to Doonies Farm will start at around 10am with a visit to the Longhorn cattle and the rest of the farm.

The Lennox family have kindly offered to provide us with a buffet lunch including Doonies beef free of charge and just ask for donations to the RBST which is very generous of them.

On Saturday afternoon you can make way home or if you choose, make a weekend of it and have two nights at the hotel and free time on Sunday in Aberdeen.

Doonies Farm and the hotel are only a few miles away from Aberdeen town centre and railway station so the possibility of taking the train up feasible which would save a long drive.

Alice Lennox has worked hard to plan this weekend so I hope we get lots of support and interest as the Aberdeen herd is well worth viewing and will make a good social visit.

I look forward to hearing from you all and any questions just ask.

Please let Graham Walker know if you wish to attend – rooms are limited to book early to avoid disappointment!
