Dear Members

Welcome to the final newsletter for 2010. It’s a pretty packed edition!

The Society AGM, held over the weekend of 6-7 November, was held at The Swan Hotel, Bedford. We had two very interesting herd visits, firstly to the Pilkington Farm’s Olffy Hoo herd and on Sunday we went to Simon Bath’s Roxton herd. Contrasting herds doing very different things with their Longhorns—just proving how versatile the breed can be.

The Society stand has been on the road during the Autumn and almost every week in November attending many of the Winter Fairs up and down the country. At the time of going to press we had ‘ticked off’ the South West Beef Event in Exeter (29 September), AgriExpo in Carlisle (29 October) and East of England Winter Fair at Peterborough (12 & 13 November), with the English Winter Fair at Stafford (26 & 21 November) and the Welsh Winter Fair at Builth Wells (29 & 30 November) to come.

May I remind you that subscriptions are due on 1st January so please send me your cheque if you do not pay by Standing Order or are a Life or Honorary Life Member.

Also please remember to complete and send back the census and data protection form that is enclosed with this newsletter. This helps me keep information about you and your herd up to date.

Finally may I take this opportunity, on behalf of myself and Council, to wish you all a Very Merry Christmas and a Happy 2011. 

Debbie

We have been loaned some fabulous cattle for the stand and have also had some very creditable cattle competing which all helps promote the breed, especially into the commercial sector.

Whilst next summer may seem like a long way off please put the dates of 17-19 June in your diary. With seemingly no possibility of a ‘new’ Royal Show we have decided to instigate a new National Longhorn Show which in it’s first year will take place at the East of England Show. See page 11 for more details.

The winner of the Maydencroft Award for the bull gaining the most points on the show circuit in 2010 was Mr & Mrs JW Stanley’s Senior Bull Blackbrook Sabre. Sabre was almost unbeaten this season, with Breed Championships at Newark, Rutland, Ashby and Southwell and Reserve Breed Championship at East of England, pipped only by stablemate Blackbrook Solitaire. Bob Williams, who stitched the tapestry, presented the award.

The winner of this year’s Leebarn Trophy for the cow gaining the most points on the show circuit in 2010 was Miss RE Heard’s Logan Dulcie. Dulcie was Reserve Breed Champion at Moreton in Marsh, had class wins at Rutland and Burwarton and placings at Ashby and Derby.

The winner of the 2010 award for members new to showing in their own right was presented to Jonathon Cuming and Fiona Bishop from the Feniton herd, Honiton, Devon. They had placings at Dunster and a class win at North Devon and also gained a second place in the Interbreed pairs at Dunster. No points for that but worth an honourable mention! In second place was Messrs Carden for placings at Ashby Show and in third place was Mr S Rigby for placings at Cheshire County Show.

NEW NATIONAL SHOW

DATE FOR YOUR DIARY!!

A new National Longhorn Show will take place at the East of England Show on Friday 17 to Sunday 19 June 2011.

The East of England Show committee and staff have kindly agreed to host the Longhorn Cattle Society National Show which will replace the classes that used to be held at the Royal Show.

All the trophies that used to be awarded by the Society at the Royal Show will be presented and will include a new Teams of Three class with a cup kindly donated by Peter Guest. Class details will be published in the East of England schedule next year.

A lunchtime reception will be held after judging on Friday 17 June and an attendance fee will be paid for each animal forward.

Put the date in your diary now and start thinking about which cattle you’ll be entering!

SOCIETY NEWS

Ian Clark retires

Ian Clark started his Holcombe herd in 1997 with cows from Richard Jones’ Meon Valley herd and these gave him a very good start in the breed. He has used some very good bulls which have clicked with his females, one of the best being Leebarn Rembrandt who produced some show winning cattle. Ian has produced several bulls over the years which have gone on to do well in other herds. Ian is a true countryman with his own special type of wit - you never quite know what he will come out with! He supported a good number of shows between Tiverton and the New Forest. With the herd being dispersed to both private buyers and through the Sedgemoor Sale, Ian and Di are retiring to a bungalow in Broadmayne village as the farm was reasonably isolated. It is good to know that he will still be involved in the breed and we wish him well.

Peter Guest

Kinship reports

If you are thinking of buying a new bull or using one of the bulls available via AI and want to know the inbreeding coefficient of the mating of that bull to each of your females then I can produce a report for you. This will show how inbred - or not - the offspring of the mating will be. Give me a call or email me to find out more.

Effectiveness of AI

Over the next few weeks I’ll be contacting all members who have ordered AI straws from the Society over the last couple of years to re-search the efficacy of AI within the breed. I would be very grateful if you could answer the survey as we would like to improve the AI service to members wherever possible.

SOCIETY NEWS

The Annual survey is now available to complete online. Please log on to ‘manage your herd’ section of the website to complete and return the survey. It only takes a few minutes!

If you have misplaced your log-on details then contact me.

Dear Members
Welcome to the final newsletter for 2010. It’s a pretty packed edition!

The Society AGM, held over the weekend of 6-7 November, was held at The Swan Hotel, Bedford. We had two very interesting herd visits, firstly to the Pilkington Farm’s Offley Hoo herd and on Sunday we went to Simon Bath’s Roxton herd. Contrasting herds doing very different things with their Longhorns—just proving how versatile the breed can be.

We have been loaned some fabulous cattle for the stand and have also had some very creditable cattle competing which all helps promote the breed, especially into the commercial sector.

Whilst next summer may seem like a long way off please put the dates of 17-19 June in your diary. With seemingly no possibility of a ‘new’ Royal Show we have decided to instigate a new National Longhorn Show which in it’s first year will take place at the East of England Show. See page 11 for more details.

May I remind you that subscriptions are due on 1st January so please send me your cheque if you do not pay by Standing Order or are a Life or Honorary Life Member.

Also please remember to complete and send back the census and data protection form that is enclosed with this newsletter. This helps me keep information about you and your herd up to date.

Finally may I take this opportunity, on behalf of myself and Council, to wish you all a Very Merry Christmas and a Happy 2011. Debbie

LONGHORN AGM

The Longhorn Cattle Society AGM was held over the weekend of 6-7 November and was based at the Swan Hotel, Bedford. A full report of the weekend will be in the 2011 Journal.

Maydencroft Perpetual Trophy (right)
The winner of this year’s Maydencroft Award for the bull gaining the most points on the show circuit in 2010 was Mr & Mrs JW Stanley’s Senior Bull Blackbrook Sabre. Sabre was almost unbeaten this season, with Breed Championships at Newark, Rutland, Ashby and Southwell and Reserve Breed Championship at East of England, pipped only by stablemate Blackbrook Solitaire. Bob Williams, who stitched the tapestry, presented the award.

Leebarn Perpetual Trophy
The winner of this year’s Leebarn Trophy for the cow gaining the most points on the show circuit in 2010 was Miss RE Heard’s Logan Dulcie. Dulcie was Reserve Breed Champion at Moreton in Marsh, had class wins at Rutland and Burwarton and placings at Ashby and Derby.

Paul Luckett Newcomers Award (left)
The winner of the 2010 award for members new to showing in their own right was presented to Jonathon Cuming and Fiona Bishop from the Feniton herd, Honiton, Devon. They had placings at Dunster and a class win at North Devon and also gained a second place in the Interbreed pairs at Dunster. No points for that but worth an honourable mention! In second place was Messrs Carden for placings at Ashby Show and in third place was Mr S Rigby for placings at Cheshire County Show.

SOCIETY NEWS

Ian Clark retires

Ian Clark started his Holcombe herd in 1997 with cows from Richard Jones’ Meon Valley herd and these gave him a very good start in the breed. He has used some very good bulls which have clicked with his females, one of the best being Leebarn Rembrandt who produced some show winning cattle. Ian has produced several bulls over the years which have gone on to do well in other herds. Ian is a true countryman with his own special type of wit - you never quite know what he will come out with! He supported a good number of shows between Tiverton and the New Forest. With the herd being dispersed to both private buyers and through the Sedgemoor Sale, Ian and Di are retiring to a bungalow in Broadmayne village as the farm was reasonably isolated. It is good to know that he will still be involved in the breed and we wish him well.

Peter Guest

Kinship reports

If you are thinking of buying a new bull or using one of the bulls available via AI and want to know the inbreeding coefficient of the mating of that bull to each of your females then I can produce a report for you. This will show how inbred - or not - the offspring of the mating will be. Give me a call or email me to find out more.

Effectiveness of AI

Over the next few weeks I’ll be contacting all members who have ordered AI straws from the Society over the last couple of years to research the efficacy of AI within the breed. I would be very grateful if you could answer the survey as we would like to improve the AI service to members wherever possible.
