Fishwick Natasha won 1<sup>st</sup> Female and Breed Champion RASE 1998**FOREWORD**

The Frogland herd was established in September 2003 when, with John Nuttall our Farm Manager, we went to visit Laura Phillips' Homington herd. Initially we purchased eight heifers, only as a side line to our existing commercial beef herd which consisted mainly of continental cross-bred cows. In June 2004, after a successful trip to Cheshire, we brought home Bollin Davy, and our first Longhorn calves were born the following summer. The other cattle were soon eclipsed by the qualities of the Longhorns and since then, by the purchase of more heifers and successful breeding of our own, the pedigree herd has grown significantly. A very helpful visit last spring to John and Pat Stanley led to the purchase of Blackbrook Quibbler who has already sired some fine calves.

Sadly, for various reasons, we have had to make the decision to give up farming cattle and to sell the herd very soon after its formation. We hope that some other newcomers to the world of Longhorns will take on at least part of the herd and get as much pleasure from them as they have given to us.
