FOREWORD

Following the sudden death of my father in September 2008, who contributed a lot to the day to day workings of the farm, myself and wife Ceri decided that it was no longer physically possible to manage our large herd while I ran a plant hire and groundworks company and Ceri had her hands full with our young family.

The foundation herd was set up with cows from David Bevan's Mayhill herd and Bernard Llewellyn's Carreg herd in 2003. Both very established and respected herds. Later purchasing a stock bull - Mayhill Secundus (see Ref. to Sires).

We managed to do some showing in particular at the Royal Welsh and Monmouth but we couldn't commit enough time to really do our stock justice. We managed to show 2005 to 2007 but due to foot and mouth restrictions in the summer of 2007 we were unable to complete our run of success. Hence the lack of accolades.

The Cwrt Henllys herd runs at 170 meters on the fringe of Welsh hill land. Turned out April and housed in from November and fed on home grown silage. Calves weaned at 9 months. Maiden heifers introduced to bull between 2 and 3 years old.

Ceri ran a small direct beef business linking in the lamb and pork off the farm. The beef was successfully sold via the box schemes and was awarded runner up in the True Taste Awards in 2008. Longhorn beef has excellent recognition within the marketplace.

All stock Blue tongue and BVD vaccinated.

We now plan to take the herd to a more manageable size.

We look forward to welcoming you to Cwrt Henllys Farm. The farm is in a perfect geographical position – 10 mins from M4 junction 27, 20 mins Cardiff and Bristol, 30 mins Monmouth. (please see location plan)

Rolls and Refreshments will be provided by award winning Rare breeds butcher Neil James of Raglan.
