## **FOREWORD**

The dispersal of the up and coming Lazylonghorn herd for Anthony Carden and family has been reluctantly taken as a direct decision in the change of farming policy coupled with Anthony's business commitments which have resulted in a reorganisation of the farming operation on more commercial lines.

There is no question that the foundation stock which Anthony purchased to form the herd have been of the highest calibre from herds with such notable prefixes and the reputation that goes with them underlining the superior breeding many of them carry. This fact was further strengthened with the opportunity to purchase a notable stud bull "Carreg Icarus" at the Society's Sale at Worcester in April 2010 for 5,500gns. His depth of breeding by Southfield Aristocrat out of Carreg Amy (a Bulford Freddy daughter) has surely been the "icing on the cake". All calves are by Icarus and all cows and served heifers have been with this notable bull.

Although this sale will be hinged with a note of sadness as the potential of the herd is rapidly gaining momentum it does give potential purchasers an almost unrivalled opportunity to acquire sound genuine well bred stock with a great future.
