E-mail: info@fromelivestock.com Website: www.fromelivestock.com

FOREWORD

Welcome to Frome Livestock Market and this first production sale of Pedigree Longhorn breeding cattle on behalf of Yaverland Longhorns, Sandown on the Isle of Wight. The sale has been removed to Frome Market for convenience.

Background: The Pedigree herd was founded in 2011 through the acquisition of three small foundation groups of Longhorns: "Huntsmoor", "Saxonbury" and "Cwrt Henllys". The

"Huntsmoor" nucleus stock originated from the Pinnerwood herd and their genetics date back to the "Rousham", "Longrove" and "Fishwick" herds. The "Saxonbury" herd was awarded the best small herd award in 2011. The "Cwrt Henllys" stock added the prominent "Blackbrook", "Carreg" and "Mayhill" bloodlines into the "Yaverland" herd.

Stock Sire: "Ashton Jethro" bull won the Breed Championship at the Three Counties Show 2011 and was 2nd at the RBST National Show that same year. The cows with calves at foot have been running with "Ashton Jethro" since 3rd August 2015 and their calves at foot are also sired by him. His daughters in the herd are served by an AI Pedigree Longhorn when appropriate. The Pedigree heifers offered for sale have never run with nor been served by any bull.

Herd Health: The holding is located on the Isle of Wight and subject to four yearly TB testing regime. All cattle presented for sale were last tested on 10th August 2015.

All cattle are tested for BVD (calves are tag tested at birth) and the females are vaccinated annually. They were last vaccinated on 29.04.15.

Pedigree Certificate: The cattle presented for sale classified as 'Pedigree' in this catalogue are sold with full certificates. Purchasers wishing to transfer these certificates can do so by contacting Debbie Dann at the Longhorn Society after the sale (£15 + VAT fee). The bull calves at foot are not Pedigree registered. They have had their births notified and are eligible for future Pedigree registration subject to Society inspections. Purchasers will need to contact the Society direct if they wish to initiate acquiring full Pedigree certificates.

Viewing: By appointment only.
