Harford Longhorn dispersal hits 4400gns

It was the fitting end to an era of Longhorn breeding for Mrs Pat Quinn, Cheltenham, Glos, who having established her Harford herd in 1976, dispersed to a top call of 4400gns at Worcester Livestock Market on Saturday 30th July.

The herd, which saw great success in the show ring right from its establishment winning many championships at the Royal Show, drew a strong interest from breeders across the UK all looking to purchase the depth of genetics on offer.

Leading trade at 4400gns was an April 2018-born female with her heifer calf at foot. Harford Selina 2 is by Wellhead Largo EX90 and out of the Dunstall Hector daughter Harford Lola. With a heifer calf at foot by Blackbrook El Nino VG88 and having been running with the same sire again, she met with spirited bidding and was finally knocked down to E J Biddulph, Tregaron, Ceredigion.

Next up for the cow and calf outfits was a 3000gns call which secured Harford Sunflower 2. Born April 2018 and by Wellhead Largo, this one is out of Blackbrook Tudor daughter Harford Orchid and again sold with a heifer calf by Blackbrook El Nino at foot. Taking this one back to Shrewsbury, Shropshire were Messrs J E Barker and Sons.

Next up at 2650gns was Harford Suzanna 2. By Wellhead Largo and this time out of a Gorse Monsignor daughter, this one sold with a bull calf at foot by Blackbrook El Nino to Jane Grant, Easingwold, Yorkshire.

Leading the senior heifers on offer was the 3100gns Harford Utopia, an April 2020-born Southfield Octane EX92 daughter out of Harford Questa, herself a Wellhead Largo daughter. Having ran with Blackbrook El Nino this one joined the top priced female on the day going home with previous buyer E J Biddulph.

At 2800gns the Blockley family, Bradford, West Yorkshire, secured Harford Uzzi. By Southfield Octane, this one is out of a Wellhead Largo daughter.

Meanwhile, top price yearling heifer was Harford Vanessa. Another Southfield Octane daughter out of a Dunstall Hector cow, she sold for 2350gns to previous buyer Jane Grant.

Name	Vendor	Purchaser	Price gns
Senior Bull
