

H&H timed on-line Longhorn sale sees a top price of £3500

Last week's timed on-line auction of pedigree Longhorn cattle proved a success for breeders, as the breed saw a top price of £3500 for bulls and £2200 for females.

Leading the sale at £3500 was Gentons Vault from Mr B Facon, Banbury. This 14 month old bull, by Gentons Ramses EX92, out of Fishwick Quincey VG88 was bought by W McFadzean & Son from Ayrshire.

In the female section W McFadzean & Sons secured a number of lots, including the top-price Fishwick Urceolina from Messrs J Close & Son, Berwick on Tweed. This Heronbrook Ned Kelly daughter born in 2020 and out of the home-bred Fishwick Magnolia, sold for £2200.

Two senior heifers from J Close & Son sold for £2000 each and both headed to W McFadzean & Sons to join their earlier purchases. Both Fishwick Ullswater Lass and Fishwick Upsurge are also Heronbrook Ned Kelly daughters

Next at £1800 was the 2017 born cow Woolpit Rosalind from Mr & Mrs B&T Stanley, Derbyshire. With her March-born heifer calf at foot by Southfield Nuke, she was bought by Mr D Knox from Fermanagh, Northern Ireland. Also at this price was the 2021 heifer Wheatlands Ultragirl from Mr T Mills, Derbyshire. A Blackbrook Axiom EX95 daughter out of a home-bred cow, she went to Miss Z McDonald to add to her herd in Turriff, Aberdeenshire.

Longhorn Cattle Society online sale 5-7 April 2022
