

### **LONGHORN SUCCESS CONTINUES**

The Longhorn Cattle Society's Spring Show and Sale at Worcester again underlined the growing demand for one of Britain's most popular traditional breeds.

Interest from buyers travelling the length and breadth of the country proved a welcome sight for vendors which resulted in a keen and spirited bidding for all classes of stock.

Top price of the day went to the very delighted President of the Society, Mr John Warner for Charnwood Lucania a maiden heifer by Fishwick Discovery out of a Fishwick Optimist cow, levelling at 3,200gns to Rachel Heard, Welford, Northampton. John Warner also enjoyed success with a senior heifer, placed second in the show peaking at 1,750gns to Boston & Bayley, Rugeley, Stafford.

Philip and Lisa Bell enjoyed a sound following for Bonemill Frieda with her heifer calf being secured by JT Newton, Alne, York at 1,900gns

Peter Osbourne showed a strong team of heifers and was rewarded with the Championship of the show with Birbury Louise, a Frondeg Duke daughter selling also to Boston & Bayley, Rugeley, Stafford.

Mr Bayley secured several top ranking females at the sale including third prize winner Halloughton Timpany from established breeders John and Joshua Brigg at 1,650gns.

Society Auctioneer, Clive Roads described the support and success of the sale as 'vastly encouraging' and went on to comment that the strong following for the breed in general continues to ensure its rising reputation among both pedigree and commercial breeders.
