LONGHORNS TO 2600 GNS TWICE AT BEESTON

The Longhorn Cattle Society's 6th Northern Spring Sale took place at Beeston Castle Auction on Saturday, 17th May in front of a good crowd of interested buyers.

The sale included the dispersal of the entire Stanthorne Herd, the property of Andrew Lea Jones and Roland Bardsley of Middlewich, Cheshire and it was this herd that provided both the leading prices of the sale.

The first to make the top selling bid of 2600 gns was Dinglebank Nancy, an April 2011 born heifer by Blackbrook Ranger who sold with her heifer calf at foot by the herd's stock bull, Kirklan Harris. The purchasers were AL & FL Appleby of Prees, Whitchurch.

In the female section most of the leading prices came from the Stanthorne Dispersal; selling for 1650 gns was Little Covert Jane, a young cow by Woodcote Wallbrook who sold with her second calf at foot, a January born heifer by Kirkland Harris, to Mrs P Barlow of Babell, Holywell, Flintshire.

The next two leading prices from Stanthorne were purchased by EE & M Williams & Sons of Mold. For 1500 gns they purchased the home bred Stanthorne Leila, a daughter of Frondeg Indiana who sold with her March born heifer calf by Harris and at 1400 gns they bought Wolsely Park Kora, a daughter of Leebarn Brunel who had her first calf at foot, a January born heifer, also by Harris.

The top priced maiden heifer was Stanthorne Milly, a March 2012 daughter of Frondeg Indiana and she sold for 1600 gns to Messrs Appleby.

The last lot from Stanthorne was the stock bull, Kirklan Harris and he was the other joint top seller of the sale. A seven year old son of Southfield Renegade, who won 1st at the Staffordshire County Show last year; writing the cheque for Harris was R Lee of Hereford.
