Laycroft Herd Reduction

To my astonishment I have been a stockman for forty years, twenty four of them with pedigree dairy stock and latterly with Longhorns. Dairying was a truly commercial enterprise but our Longhorns have to work hard too although on an extensive system. We strive to breed a cow, adaptable to her environment that regularly produces a viable calf which primarily suits our butchery. Breeding selection is based on positive traits for udders and milk production alongside chest width, loin strength and good foot angle. Size is not important and you will see that the cattle presented vary, a large cow is not always the most profitable. Loss of part of our tenanted land has caused us to significantly reduce our numbers and the cattle brought forward were not in any plan to be offered for sale. We consider that they will make a genuine contribution to other Longhorn owners for either pedigree or commercial purpose.
Gary and Nicky Prance.

The Laycroft herd is a high quality pedigree Longhorn herd which have been clients of the Leahurst Farm Animal Practice for the entire lifespan of the herd. Stock are mostly homebred, but when stock have been purchased they have undergone a quarantine period and no clinical signs of infectious disease have been observed. There has been no formal laboratory testing for IBR, BVD, Leptospirosis or Johnes disease, nor is the herd vaccinated, due to the fertility and general health of the herd being exemplary.

ANIMAL TRANSPORT REGULATIONS

From 5th January 2007 New Regulations came into force affecting anyone who transports live animals. Anyone moving animals more than 65 kilometres (40 miles) will require a LICENCE.

For the majority of farmers who are likely to fall in this category, they will need to apply for a "SHORT JOURNEY AUTHORISATION" from the State Veterinary Service. This authorisation will last for 5 years unless revoked or suspended and a copy of this will be required to be carried whenever stock are moved. The distance of 65km is defined as the travelling distance, not as the crow flies.

Application forms are available at the Beeston Office or from the Welfare in Transport Team, State Veterinary Service, Block C, Government Buildings, Whittington Road, Worcester WR5 2SU Tel. 08456 038395 Email wit@svs.gsi.gov.uk

If this applies to you, application must be made as soon as possible and you should keep a copy of the application form to carry with you if you did not receive your licence before 5th January.

DOUBLE TAGGING

The regulations with regard to Cattle identification clearly state that all Cattle entering the market born after the **1st January 1998 MUST HAVE 2 EAR TAGS**. Cattle **without** two tags born after that date **CANNOT BE SOLD** and will be licenced back home by Trading Standards, and will trigger the 6 day rule.

VENDORS LIABILITY: Neither the Promoters nor the Auctioneers will be responsible for any accident through fire and other causes whatsoever, nor the safety of animals entered for the Sale, nor for the damage done by them, prior to, during or after the Show and Sale, each animal being in the entire care of the Vendor until it becomes the property of a Purchaser
