## Durham herd dispersal sale

I went as a spectator to the Bollin/Heyworth sale in 2005 with a friend and came home with two cows and calves at foot. This started the Durham Herd as I managed a college farm on the outskirts of the city at the time. We purchased a young bull from Nicky Luckett and some heifers from Peter Guest and we were ready for our first farm tenancy in Herefordshire.

The herd numbers have been steadily increasing alongside a commercial sheep flock and we are proud to have won a number of prizes with our stock in the annual Mid West Breeders Club competition. Our most proud moments have been winning the best small herd class in 2010, 2014 and 2015.

Sadly the decision by our landlords Herefordshire Council to sell the estate means we have to leave the farm shortly, so with great sadness we are selling the livestock and farm equipment in the coming months.

We would like to thank everybody who has helped us along the way with our cattle.

Ian Salmon
