SHORT NOTICE
DISPERSAL SALE OF
THE CROFTLANDS HERD
PEDIGREE LONGHORN CATTLE

On behalf of Messrs Hughes

Within The Auction Mart, Wigton
at 11.00 am

Croftlands Dispersal Sale

The herd is to be dispersed due to ill health of the Hughes family. The cows are loose housed and have ran with the Longhorn Bull Wellhead Petrus (sired by Raincliffe Harry) from May 2017 to August 2017. They then ran with a British Blue bull from 18th August. Wellhead Petra was Champion at the Westmorland Show in 2016. They have been PD by the vet on 22nd January and the results are shown below the pedigrees. The heifers born in 2016 are all unserved. All animals will be sold under Farm Sale Conditions and will be sold in guineas. The herd is currently on a 4 year testing pattern and were tested on 27th November 2017 and the results were all clear.

The pedigree certificates will be dealt with by the Longhorn Society after the sale. If you want the animals transferred to your herd then please inform the office staff and the fees will be added to your account. No certificates will be handed to purchasers on the day, they will be handled by the Society Secretary. The Longhorn Cattle Society will be represented at the sale. Any amendments or alterations to details will be announced at the time of sale.

Inspection of the herd at home, prior to the sale is welcomed, please make an appointment on 016973 61256
