ANIMAL TRANSPORT REGULATIONS

From 5th January 2007 New Regulations came into force affecting anyone who transports live animals. Anyone moving animals more than 65 kilometres (40 miles) will require a LICENCE.

For the majority of farmers who are likely to fall in this category, they will need to apply for a "SHORT JOURNEY AUTHORISATION" from the State Veterinary Service. This authorisation will last for 5 years unless revoked or suspended and a copy of this will be required to be carried whenever stock are moved. The distance of 65km is defined as the travelling distance, not as the crow flies.

Application forms are available at the Beeston Office or from the Welfare in Transport Team, State Veterinary Service, Block C, Government Buildings, Whittington Road, Worcester WR5 2SU Tel. 08456 038395 Email wit@svs.gsi.gov.uk

If this applies to you, application must be made as soon as possible and you should keep a copy of the application form to carry with you if you did not receive your licence before 5th January.

DOUBLE TAGGING

The regulations with regard to Cattle identification clearly state that all Cattle entering the market born after the **1st January 1998 MUST HAVE 2 EAR TAGS**. Cattle **WITHOUT** two tags born after that date **CANNOT BE SOLD** and will be licenced back home by Trading Standards, and will trigger the 6 day rule.
