

# LONGHORN

## Cattle Society

**ONLINE TIMED AUCTION**  
**9AM, THURSDAY 10<sup>TH</sup> SEPTEMBER 2020**  
TO  
**7PM, SUNDAY 13<sup>TH</sup> SEPTEMBER 2020**  
[www.mccartneys.auctionmarts.com](http://www.mccartneys.auctionmarts.com)

## Longhorn Type Classification Scheme

Type classification has been standard practice for many years and is seen as a clear, understandable method of grading cattle using independent assessors. By having their cattle graded, members gain a better understanding of the strengths and weaknesses of their cattle and can then select and breed accordingly to improve not only their own cattle, but in turn the national population of Longhorns.

Cattle are assessed for conformation and they are awarded an overall grade (eg VG, EX) and a numerical score.

Once an animal has been graded he/she does not need to be re-presented but can be put forward for re-inspection if the owner wishes. No animal's score can go down on subsequent inspections, they can only either stay the same or go up. For this reason first calved heifers are scored more 'severely' to allow room for manoeuvre. Animals can make the following maximum scores

### FEMALES

Heifers - maximum 89 points

2nd calvers - maximum of 89 points

3rd calvers - maximum of 93 points

4th calvers - maximum of 95 points

5th calvers - maximum of 97 points

### MALES

18-24 months - maximum of 89 points

24+ months - maximum of 97 points

Buyers can use the score, alongside their own visual assessment, to inform their buying decisions.

# Longhorn Cattle Society Online Timed Auction

The Online Timed Auction will begin at 9am on Thursday 10 September and will end at 7pm on Sunday 13 September.

Purchasers will need to pre register on line with McCartneys at  
<https://mccartneys.auctionmarts.com>

# Longhorn Cattle Society Online Timed Auction

Welcome to the Longhorn Cattle Society's first online timed auction. In common with other breeds we are trying method of selling cattle given the current COVID-19 restrictions that have impacted on so many aspects of our lives in 2020. It's a new experience for most of us, but we'll give it a try! We hope there is something to suit everyone in the sale.

Please feel free to contact any of the vendors for more information on the cattle and embryos forward for sale, and to arrange a visit if that's suitable for both parties – seeing an animal in the flesh will tell you more than a photo or video.

All lots will remain on the premises of the vendor and will not be removed to the market for the sale.

The Timed Auction will begin at 9am on Thursday 10 September and will end at 7pm on Sunday 13 September.

A minimum starting price and increments of increase will be set by the Auctioneer for each lot. Any reserves will be taken into account.

There will be a two minute interval between the closing time for each lot. Should there be a flurry of last minute bids the time left to bid will be extended.

Purchasers will need to pre register on line with <https://mccartneys.auctionmarts.com> in advance in order to be able to follow the bidding and bid on line. Bids will be taken in £s sterling. A 5% buyers premium (plus VAT) will be added instead of selling in guineas.

There will be a credit limit on each purchase of £2500, but if purchasers wish to increase this, please call McCartneys on 01905 769770 and they will increase the limit.

Successful purchasers will be contacted by McCartneys on Monday 14 September .

Pedigree certificates will be sent out to purchasers from the Society office, once McCartneys have confirmed the transfer fee has been paid.

Lots purchased cannot be collected/moved from the vendors until payment has been received and approved by the auctioneers. Payment to be made by debit card, business credit card with a surcharge of 2%, or by direct bank transfer.

Please contact James Amphlett or Clive Roads at McCartneys on 01905 769770 or Debbie Dann at the Longhorn Cattle Society on 0345 017 1027 if you have any questions

**gd**:Fishwick Jamaica EX92\* (18340/J0087)  
**gdd**:Fishwick Fi (13464/F0087)

This February 2019 born heifer has already been on the show circuit as a calf at foot to her mother Gentons Qiana VG89. Gentons Tilly stood second at calf competition at the 2019 National Show at the Great Yorkshire Show

**Gentons Qiana** stood 1<sup>st</sup> at the 2019 Royal Three Counties Show along with many other rosettes throughout the year. Gentons Qiana is the only first calved heifer to score the maximum VG89 as a first calver.

**Tetford X-Ocet** is a very large bull who has given us an exceptional 2019 crop.

The Gentons herd is part of the SAC Premium Cattle Health Scheme, accredited for BVD, IBR and Johne's R2

All cattle run within a specialised badger proof netting all year round.

Visitors are welcome to come and view the lots before the sale.

## SPECIAL REGULATIONS AND CONDITIONS OF ENTRY

1. The Sale is held subject to the Regulations as printed in this notice and also to the LAA Conditions of Sale and the Auctioneers General Conditions of Sale.
2. Entry is open to any full member of the Society provided their subscriptions are up to date and all stock must be fully registered or notified within the Society's official notification of birth time limit.
3. The Society reserve the right to inspect any cattle entered for sale to assess their suitability
4. Vendors shall have the right to place a reserve price on any or all of their cattle. This must be notified to the Auctioneers in writing, before the commencement of the Sale and will be treated as a reserve and not a guide.
5. All transactions either by Auction or by Private Treaty following the Sale must be passed through the Auctioneers' Sale Office
6. All registered cattle will be sold in £ sterling. A 5% buyers premium (plus VAT) will be added.
7. It is recommended that cattle forward for sale should be accredited via a CHecS recognised Health Scheme or are individually tested for Leptospirosis, BVD, Johnes and IBR. Testing for Neospora is highly recommended. Health information should be submitted for inclusion in the catalogue
8. Vendors are responsible for having cattle TB tested before movement where appropriate. TB test areas and any recent test dates should be submitted for inclusion in the catalogue.
9. Each animal entered for the auction must be exposed for sale before any private sale shall be permitted or recognized by the Society or the Auctioneers.
10. The vendor must present for sale by Auction any animal catalogued for sale.
11. A transfer fee of £15 + VAT (£18.00) shall paid by both the vendor and the purchaser. Pedigree certificates will only be transferred on payment of the transfer fee.
