

**Dunster Show
20 August 2010**

Judge: Peter Guest

There was a very good line up of Longhorns at the Dunster Show, which is set in the shadow of Dunster Castle.

There were two cows with calves at foot and one in-calf heifer in the first class. I favoured Long Ash Golden from Mr S Hollier as she was in good condition and doing the calf very well, my second place was carrying just too much cover over the tailhead. In the senior heifer class it was a close call between the two entries and I chose Gupworthy Imogen who went on to be my Breed Champion. The junior heifer class was the strongest on the day with six forward. I chose Long Ash Jahola who was squarer behind the shoulder and had a larger pelvic frame than my second placed one. Jahola went on to be Reserve Champion.

Only two bulls were forward and Gupworthy Jasper won. Although some 15 months younger than his competitor he walked far better.

My thanks to all the competitors for bringing their animals out despite the rain and gales! I could not write this without mentioning the success of Jonathon Cuming, ably assisted by Fiona for gaining 2nd place out of eight in the Native Breed Pairs class with two homebred Junior heifers on only their second outing.

Cow

4 entered/3 forward

1 st Long Ash Golden	Mr S Hollier
2 nd Long Ash El Paso	Mr P Beauvais
3 rd Elsworthy Helvetica Primrose	Mr P Beauvais

Heifer born in 2008
