

Bakewell Show 1 August 2012

Judge: Richard Warner

It was the first time I had been to Bakewell Show and I was very impressed with the size and quality of the Show. The cattle were housed in the cattle market and shown on the tarmac just outside the loading pens. Unfortunately only six Longhorns forward from three exhibitors.

Only one Junior bull, Dunstall Lancer from Mrs EM Hallfield; a correct young bull and worthy of his first place.

Two forward in the cow class. First place went to Dunstall Gaiety, she just had more size and power over the young cow Mullard Jaya from Mr T Mills.

Only one Junior heifer Dunstall Lucky, a lovely heifer in perfect condition and would have done well in a larger class. Two forward in the Senior heifer class with first place going to Heronbrook Kitty, from Mr J Winnington, a big well fleshed heifer with good breed character and good locomotion and an easy class winner.

Breed Champion went to Heronbrook Kitty and Reserve to the Junior heifer Dunstall Lucky.

Many thanks to the exhibitors who brought their cattle forward in such a professional way.
