

Mid Devon Show 28 July 2012

Judge: Mr Peter Guest

An in calf heifer and a heifer with calf at foot were in the Cow class. The calved heifer was a bit too fit and only just back in calf which resulted in her being placed second.

The senior heifers which came forward were all well grown with the winner having better locomotion over the second placed heifer.

Two young bulls came forward, the first placed bull was three months younger than his competitor but had "a bit more about him".

Three pairs came forward, the first placed pair looking like "peas in a pod" – they were identical in colour and size. There was some size variation in the second placed pair.

I had little hesitation in making the senior heifer breed champion with the young bull in reserve.

My thanks go to the competitors for bringing out some quality animals.

Cow or Heifer born before 1st January 2010

4 entered/2 forward

1 st Elsworthy Jenny Wren	Mr P Beauvais
2 nd Gupworthy Juliet	Mr & Mrs G Woollatt
