

**Shropshire Show
26 May 2012**

Judge: Dr P Cleland

The Briggs' heifer was a delight in every way: Conformation and condition. She is December born and has to compete against older heifers in larger classes so is up against it on maturity.

It was a pity that Phil Robinson's two heifers were not brought into the ring owing to safety precautions, because after the show I was able to go down the lines and saw them then. They would have been in contention. Piggohill Lottie was perfect in topline and elsewhere when handled but did not look so kind at a distance. Three Bridges Katherine will make a very good cow. The Reserve champion Blackden Jill was a first calver and had real scale and size, and even if not perfect conformation is the sort of cow to keep Longhorns commercial. Well done the Briggs for Res Interbreed Pairs.

Bull any age, 5 entered/4 forward

1 st Gorse Samson	Messrs JS & JW Brigg
2 nd Blackden Kingfisher	PV & JM Robinson
3 rd Blackden Lynx	PV & JM Robinson
