

**Dunster Show
15 August 2014**

Judge: Clive Roads

A super show set in an idyllic location with Dunster Castle as a backdrop and historically a strong connection with Longhorns as Julian Luttrell's herd did, in the past, graze the fields that the show is held on.

The first class, Cow in calf or in milk was a walk over with Mrs Woollatt's Cow 'Gupworthy Juliet II' with twin calves at foot, a big powerful deep bodied cow being a worthy winner.

The Senior Heifer class also recorded a win for the Gupworthy herd with 'Gupworthy Mistress' taking top spot, a strong and very fit heifer getting the nod over a younger but stylish heifer 'Warns Melanie' from Will Glover.

Junior Heifers were better represented with a class of four. 'Gupworthy Nancy' took poll position, a stretchy, well balanced heifer with good locomotion and just beating 'Colaba Innuendo' from M.J. Preece's stable a very smart, stylish correct heifer but just a little too short to take first prize. Third prize was 'Gupworthy Norah' again with good length but not just with the overall conformation of the other two heifers.

Bull any age, was represented with two bulls both from Messrs Woollatt the 2½ year old 'Gupworthy Merlin' and an 18 month old 'Gupworthy Neville'. The Senior of the two took the first prize a well-balanced, well grown, shapey bull that walked well.

Championships were straight forward the bull 'Gupworthy Merlin' taking Overall Champion with the cow and twins 'Gupworthy Juliet II' as Reserve Champion.
