Dear Members

Welcome to the final newsletter of 2015, and with it my best wishes for Christmas and the New Year. Yet again the Society has had busy year with plenty of shows, sales and events which hopefully ‘inform, educate and entertain’.

During the latter part of the year the fun was tinged with sadness when we lost three people who were deeply involved with the breed back in the days when Longhorns, along with many other native breeds, were not appreciated as they are now. Joe Henson, Michael Rosenberg and John Thornborrow. Unfortunately space in the newsletter does not allow us to do full justice to everything these great gentleman did for the breed, so full obituaries will be in the next Journal for members and the wider community to get a better sense of their contribution and legacies.

Its census and survey time again so please complete the forms and return them to me, or you can do the survey online. Thank you.
As we approach the end of the year I would like to say thanks to all members who made the AGM a record attendance this year, and to our hosts at this years AGM. We had an insight into how John Colegrave and his family ran his farming enterprise, finishing his cattle right through to the farm shop. We then moved on to Broughton Castle to see the main herd grazing in the parkland, followed by a very tasty lunch at the Castle prior to the AGM. My apologies to all those who could not hear all of the AGM proceedings, due to the vast height of the Great Hall. We were then privileged to be taken on a tour of the castle by our hosts Martin Fiennes and his father, Lord Saye & Sele.

Thank you to Lord Plumb who was our after dinner speaker, giving us an insight into his years in agriculture and his thoughts on the way forward for our industry which I felt was relevant to those attending.

The Sunday visit took us to see John and Joshua Brigg’s cattle. With big well fleshed cows and very smart heifers, a very impressive herd which is a credit to them; a fine example of their 50 years of breeding. Our thanks to Jean Hotchkiss for making us all so welcome.

I am looking forward to seeing you in 2016 at the various planned events.

Lastly I would like to wish everyone a Merry Christmas and a Happy New Year.

Members will be aware that we reported the death of Joe Henson in the last newsletter.

A full obituary paying tribute to this remarkable man who did so much for the Longhorn breed and rare breeds in general will be in the next Journal, where there is more space to do all his achievements justice.
The death of John Thornborrow on 8th November 2015 marked the end of an era in relation to the pedigree beef industry that stretched back to the 1970’s. Although Charolais cattle were initially imported during the mid-1960’s the bulk of the “continental” breeds were imported from 1970 onwards and have made a lasting impression on the UK beef industry. John Thornborrow having the foresight to see the huge impact these breeds were destined to make soon successfully established official breed society sales many of which are “etched in stone” and continue to this day. His reputation was not only connected to the continental breeds — he provided the office facilities from the Longhorn Cattle Society when I, as his assistant, became part time Secretary of the Society and he also conducted the Winthill, Grendon and Eyebrook dispersal sales that arguably set the Longhorn breed on its way to deserved recognition within the industry. He also had a strong involvement with the Rare Breeds Survival Trust and that organisation’s pioneering sales at Stoneleigh and was an influential figure in the Holstein world conducting many top flight sales across the country. Although his retirement back to Cumbria, and his roots, took him away from the profession his legacy continues in many guises.

Clive C Roads (John Thornborrow’s Assistant 1973 – 1984)

It was with great sadness that I heard that Michael Rosenberg had passed away. Michael set up his Ash Longhorn herd in 1978 first purchasing at the Winthill Dispersal and shortly afterwards at the Grendon and Eyebrook Dispersals. I first met him at Grendon when I out-bid him to purchase our foundation cows Grendon Wendy and Grendon Dulci; at the Eyebrook sale six weeks later we went all square with me taking prospective future breed matron Eyebrook Rachael and Michael taking Eyebrook Tina for a breed record price for a heifer that stood until 2005! We remained close, if largely incommunicado for long spells, ever since!

In 1982 Michael gifted his Ash Herd to the National Trust at Wimpole in Cambridgeshire The herd is still going strong on the luxuriant meadows at Wimpole. Michael was the ultimate philanthropist extensively funding the Royal Show building programme and the Rare Breeds Survival Trust, driving, along with its founding chairman Joe Henson, that organisation forward to very quickly become a formidable genetic conservation mover. Such a generous, forthright but reticent true gentleman will be sorely missed.

Peter Close
SOCIETY NEWS

IAN CLARKE

Society member Ian Clarke passed away on 1 November 2015. He bred cattle under the Holcombe prefix in Dorset for a number of years. He is survived by his wife Di, to whom the Society sends its condolences.

SOCIETY EVENTS 2016

NATIONAL SHOW
The National Show takes place at the Royal Three Counties Show next year on Friday 17 June. The Native & Minority Breeds classes are on Sunday 19 June. The Society will have a marquee at the Show for the duration of the weekend.

AGM
The AGM is based in Wales in 2016 and will take place on 15 October with farm visits to Bernard Llewellyn (Carreg herd, Llandeilo) and Andrew Williams (Rhyfel herd, Swansea) over the course of the weekend.

NEW MEMBERS

We should like to welcome the following new members to the Society:

Mr M Girling & Mrs J Green, Pond House, Woodland, Bishop Auckland
Mr W Nankivell, Hall Farm, Belchamp Otten, Sudbury, Suffolk
Mr D Holmes, Westcott Farm, Brompton Ralph, Taunton, Somerset
Mr A Knight, Court Farm, Broad St, Kings Stanley, Gloucestershire
Mr RW Elsey, Brockford Farm, Oatley Hill, Hook Norton, Oxon
Martins Meats, Unit 5 Orchard Industrial Estate, Toddington, Glos
Miss J Marshall, 24 Townend Way, Halton, Lancashire
Miss D Lawrence, Church Farm, Browninghill Green, Basingstoke
Mr O Tant, New Barn Yard, Sandley, Gillingham, Dorset
Mr M Cullen, Animal Farm, Mill Road, Staple, Canterbury, Kent
BULL REGISTRATIONS

Those members wishing to register bulls can download a registration form from the website or ring me for one - in any case please get in touch as you will need a hair sample bag for each bull being registered. The registration form, photographs and sample bag must be signed by a vet and these, along with the payment for registration must be received before the registration will be processed. Allow yourself plenty of time, especially if you are thinking of entering your bull for a show or sale and never assume the office has received the documentation!

Emailed registration forms or photos cannot be accepted as delivery cannot be guaranteed - the Society has pretty strong spam filters on the computer which sometimes do not allow big photo files through. We have had one incident this year where a member thought an email had been sent but the office had never received it so please post everything.

PLEASE NOTE THAT FROM 1 JANUARY 2016 BULL REGISTRATION FORMS MUST BE RECEIVED BY THE OFFICE NO LATER THAN ONE MONTH FROM THE TIME THE ANIMAL WAS WEIGHED, OR RE-WEIGHING WILL BE REQUIRED.

COUNCIL MEMBERS 2016

The following Council members represent you in 2016

Paul Ashcroft, barlingspigs@me.com, 07859 861001
David Blockley, david@davidblockley.co.uk, 07831 247405
Peter Guest, colabalonghorns@aol.com, 01568 760251
Bernard Llewellyn, carregcennencastle@btinternet.com, 01558 822291
David McVeigh, info@wasteology.com, 01728 861860
John Stanley, info@blackbrook-longhorns.com, 01509 503276
Charles Sutcliffe, ctd.sutcliffe@btinternet.com, 07771 611718

Please contact any one of them if you have any queries regarding Society or Council matters.
**SOCIETY NEWS**

**LONGHORN BEEF RECIPES**

Do you have a favourite way of cooking your Longhorn beef? The Society would like to publish a regular Longhorn beef recipe on the website and in the newsletter so if you have a good recipe please let the office know. If it’s your own recipe then tell us, if it’s one you use from a recipe book please let me know who’s recipe it is and they can be properly credited.

Our first recipe is on page 12

**SOCIETY PRESIDENT**

The President of the Longhorn Cattle Society for 2016 and 2017 is Dr Phil Cleland, latterly of the School Green herd. The Society’s thanks go to John Brigg for his diligent service as President for 2014 and 2015.

**CORRECTION TO LAST NEWSLETTER**

There is a correction to the Bull of the Year results published in newsletter number 89, October 2015
Fishwick One in a Million should be equal 4th, Fishwick Once in a Lifetime should be 26th, My apologies for the mistake

**PARENTAGE VERIFICATION**

The purity of the Longhorn breed is one of it’s major selling points and Council have decided that a random selection of heifers should be DNA sampled to verify their parentage. To this end the owner of each 100th female registered, starting from 1 January 2015, will be asked to provide a hair sample of the calf and both parents.

Should the sire not be on the holding then the current owner will be asked to provide a sample if one is not already held. DNA samples of all AI bulls are already held and if the bull is dead then a sibling or close relative will be sought.

Samples have been collected throughout 2015 as those of you who have been contacted will know and this will continue in 2016.
### REGISTRATION FEES 2016

From **1 January 2016** the following fees apply

**Female registrations**

<table>
<thead>
<tr>

Transfer fees: £15.00 + VAT = £18.00

Transfer fees are payable on breeding females and registered bulls by both buyer and seller unless an alternative arrangement is made between both parties.

### GENUS CHARGES

For members of the Society that use semen from Society stocks please note that distribution charges from Genus to the Society went up on 1st September 2015. The Society passes these charges on at cost so unfortunately it means a rise in charges to members.

There will be a distribution charge of £3 per straw, with a minimum transaction charge of £25 and a maximum of £500 per transaction. This means if you order one straw you will be charged £25 to transfer it. This is to both Genus technicians and DIY flasks. The charge to third parties (ie your local technician who is not Genus) will rise to £80 for 1 to 20 straws and £80 + £3 per straw (capped at £500) for over 20 straws. All these prices will have VAT at 20% added to them. These charges are in addition to the cost of the semen itself.
The Society has had a stand at three Winter Fairs this year.

Firstly Nicky Luckett and Peter Close manned the stand at Agriexpo Carlisle in October. Peter also kindly supplied Fishwick Lord of the Rings Colin Hughes provided two steers for the stand.

Then we had a stand at Beef South West in Exeter on 11 November. This time George, Jackie & Thea Woollatt provided a heifer for the stand and their bull Gupworthy Onzlo came an excellent 2nd in a strong native section in the Beef SW Bull of the Year Competition.

Finally we had a stand at the English Winter Fair to support the exhibitors who had brought enough cattle to have our own class. In first place was Eileen Hallifield, 2nd Thea Woollatt, 3rd and 4th Michael Smith. Thanks to all!
TB COMPENSATION

Whilst the eradication of Bovine TB should be at the forefront of DEFRA’s minds, it’s inexorable creep across the country means more and more members are being affected. A quick look at the difference between the compensation you will receive for a registered pedigree animal and a non pedigree animal might make registration of all your calves a consideration. Retrospective pedigree registration of TB reactors is not permitted.

The table shows compensation for December 2015. It is updated each month.

The table is applicable to England only - Wales and Northern Ireland are on individual valuation and Scotland is TB free.

Further explanation and the most recent compensation table is available on the DEFRA website and there is a link on the Society website.

This first recipe in an occasional series comes from Tom Redmayne in Lincolnshire, using Longhorn beef from Meridian Meats. It makes good use of an economical cut

**Longhorn Beef Bourguignon**

![Longhorn Beef Bourguignon Image]

**Serves 4**

**Ingredients**

- 1 kg English Longhorn beef shin cut into 2cm cubes
- 1 bottle good red wine
- 250ml good strong chicken stock (make at home from roast chicken carcases!)
- 2 medium carrots coarsely chopped
- 1 stick celery coarsely chopped
- 4 echalion (banana) shallots cut into quarters lengthways
- 12 small or pickling onions, peeled, topped and tailed
- 5 cloves garlic peeled and cut in half
- Bouquet garni made from fresh thyme and parsley wrapped in bay leaves and tied
- 3 tablespoons plain flour
- Salt and ground black pepper
- Rapeseed oil
- 12-14 medium chestnut mushrooms halved or quartered
- 200g unsmoked bacon lardons
LONGHORN BEEF RECIPE

Method
1. Simmer the wine in a pan until reduced to about ¾ of its volume then set aside to cool.
2. Take a large glass bowl and add the beef shin, carrots, shallots, celery, garlic, bouquet garni and chicken stock. Pour over the reduced red wine, cover with cling film and place in the fridge overnight to marinate.
3. After marinating, drain through a colander over a bowl and reserve the liquid. Separate the beef from the vegetables and herbs and pat dry with kitchen paper.
4. Switch on the oven set to 140 C (fan) or 150 C (non-fan).
5. Heat 2-3 tablespoons of rapeseed oil to a high temperature in a large, heavy casserole and add the beef, a little at a time in batches, searing on all sides. Remove each batch when done and put aside onto a plate. When all the beef is seared, lower the heat, add the marinade vegetables and herbs and stir to brown them and loosen the meat juices from inside the casserole.
6. Add the reserved marinade liquid to the casserole along with the whole onions, two tablespoons of tomato puree and a tablespoon of sweet paprika. Season the flour in a bowl with salt and pepper and roll the beef pieces in it until coated. Add the beef to the casserole. Place a lid on the casserole and bring to a gentle simmer on the hob. Once simmering, transfer to the pre-heated oven and cook for 3 hours until the beef shin is very tender and has formed a rich, thick gravy. Turn off the oven and leave the casserole inside whilst you prepare the mushrooms and bacon.
7. Melt the butter in a saucepan until foaming then add the bacon lardons and cook, turning all the time until just starting to crisp at the edges. Add the mushrooms and a turn of black pepper and continue cooking until the mushrooms are cooked through but still firm. Put a lid on, take off the heat and set aside.
8. Remove the casserole from the oven and test the gravy. If too thin still, heat on the hob until just simmering again and add a little cornflour, mixed in cold water, until thickened.
9. Spoon the beef bourguignon onto warmed plates, add a warmed ramekin filled with the mushrooms, bacon and butter and sprinkled with coriander leaves, and serve with the potatoes of your choice. My own favourites are buttered new potatoes and a “three-root” mash of potato, sweet potato and parsnip. Of course, some home-made Yorkshire puddings would also go very well.
SALES 2016

All dates subject to confirmation and DEFRA movement and gathering regulations

SOCIETY SALES

Saturday 23 April 2016
