

TORI & BEN'S

We are looking for an enthusiastic and skilled livestock professional that wishes to progress and grow both our family business and themselves for a progressive and diverse added value mixed farming business: Melbourne, South Derbyshire/NW Leicestershire.

Responsibilities would include.

- Care, husbandry and progression of our spring calving suckler herd – predominantly pedigree Longhorn cattle.
- Take pride in producing the highest quality beef, seeing all cattle through to finishing for retailing through our farm shop.
- Management of our commercial Texel x, pedigree Jacob, pedigree Portland and small pedigree MV Texel flocks.
- Taking all lambs through to finishing and meeting our own specification for retailing.
- Assisting and heading up the preparation of pedigree Longhorns, and pedigree sheep for showing and sales at multiple shows during the season.
- Some arable work including drilling and spraying.
- The flexibility to assist in some food events and retail activities if required and help out with the many tasks at hand.

Fresh ideas and willing to take responsibility for decision making, planning and record keeping would be encouraged.

Applicants must have good communication skills, a 'can do' attitude, be self motivated and organised, with a valid UK driving License. Maintenance and practical skills would also be an advantage.

Agricultural qualifications such as trailer cert and PA1 and PA2 are desirable but not essential.

A competitive salary, commensurate with experience will be offered with the potential addition of a pleasant 2 bedroom flat, adjoining but separate to the main farm house.

Please apply with CV and covering letter to tori@toriandbensfarm.co.uk
