

**Royal Cheshire County Show  
9 June 2017**

**Judge Mr Joshua Brigg**

A somewhat depleted entry due to the clash with the National Longhorn Show at Lincoln, but the breed was well represented by some quality females. Unfortunately both bulls had come straight from work and, therefore, lacked condition. My Champion was a good example of the breed for the public to see at the Royal Cheshire Show and would not have been out of place at Lincoln.
